*A Time to Kill* John Grisham,2008 Ten-year-old Tonya Hailey is attacked and raped by two local men. Carl Lee, Tonya's father, kills them in revenge. Now, only his lawyer and friend, Jake Brigance, stands between him and the electric chair. Is there any hope for Carl Lee in a state where black men have little hope of finding justice?--Cover, p.[4].

*A Time to Kill* John Grisham,1999 A Southern town is shocked when a 10-year-old black girl is raped by two white men--until the girl's father takes the law into his own hands.

*Sycamore Row* John Grisham,2014-08-19 #1 NEW YORK TIMES BESTSELLER • John Grisham returns to the iconic setting of his first novel, *A Time to Kill*, as Jake Brigance finds himself embroiled in a controversial trial that exposes a tortured history of racial tension. “Welcome back, Jake. . . . [Brigance] is one of the most fully developed and engaging characters in all of Grisham’s novels.”—USA Today Seth Hubbard is a wealthy white man dying of lung cancer. He trusts no one. Before he hangs himself from a sycamore tree, Hubbard leaves a new, handwritten will. It is an act that drags his adult children, his black maid, and defense attorney Jake Brigance into a conflict as riveting and dramatic as the murder trial that made Brigance one of Ford County’s most notorious citizens, just three years earlier. The second will raises many more questions than it answers. Why would Hubbard leave nearly all of his fortune to his maid? Had chemotherapy and painkillers affected his ability to think clearly? And what does it all have to do with a piece of land once known as Sycamore Row? Don’t miss John Grisham’s new book, *THE EXCHANGE: AFTER THE FIRM!*

**Level 5: a Time to Kill Book and MP3 Pack** John Grisham,2011-12-20 Ten-year-old Tonya Hailey is attacked and raped by two local men. Carl Lee, Tonya’s father, shoots them. Now only his lawyer and friend, Jake Brigance, stands between him and the electric chair. Is there a legal defense for Carl Lee’s actions?

**From Pro-life to Pro-choice: The Dramatic Shift in Seventh-day Adventist's Attitudes Towards Abortion** Nic Samojluk,2011-06-28 A study of Adventist literature showing the dramatic shift by the Seventh-day Adventist North American Church' attitude towards one of the most fundamental rules designed by God for the protection of human life-the Sixth Commandment which forbids the murder of innocent human beings. A careful research indicating that financial profit moved the church leadership to tolerate the offering of abortion on demand services to the patients of several hospitals owned and managed by the Adventist organization.

**When She was Bad** Patricia Pearson, 1998 While national crime rates have recently fallen, crimes committed by women have risen 200 percent, yet we continue to transform female violence into victimhood by citing PMS, battered wife syndrome, and postpartum depression as sources of women's actions. *When She Was Bad* convincingly overturns these perceptions by telling the stories of such women as Karla Faye Tucker, who was recently executed for having killed two people with a pickaxe; Dorothea Puente, who murdered several elderly tenants in her boarding house; and Aileen Wuornos, a Florida woman who shot seven men. Patricia Pearson marshals a vast amount of research and statistical support from criminologists, anthropologists, psychiatrists, and sociologists, and includes many revealing interviews with dozens of men and women in the criminal justice system who have firsthand experience with violent women. *When She Was Bad* is a fearless and superbly written call to reframe our ideas about female violence and, by extension, female power.

In a cell nearby is her co-accused - her husband Robert. Kept apart, Frances can only tell her side of the story. How did she come to be here? Can she somehow prove her innocence? And what lengths will she go to to save herself? \_\_\_\_\_ 'Engaging, vivid and revelling in historical detail' Sarah Perry, bestselling author of *The Essex Serpent* 'The Miniaturist meets *Gone Girl*. **First to Kill** Andrew Peterson, 2008 When a deep-cover FBI agent disappears along with a ton of Semtex explosive, the government turns to Nathan McBride, former Marine sniper and covert CIA operative, to recover them.

**The Murder of Judith Roberts** Tanita Matthews, Chris Clark, 2024-12-30 In the Summer of 1972, 14-year-old Judith Roberts took off for a bike ride within the vicinity of her Staffordshire home. Her body was discovered after a three-day manhunt, concealed from view in a thick privet having been brutally attacked. The community of Tamworth was rocked by the news of her death and an outcry for justice ensued. Within weeks of her murder, an impressionable and troubled soldier, based in the nearby barracks, 17-year-old Andrew Evans, walked into a police station and confessed to the killing. Relentlessly interviewed for hours on end without representation or an appropriate adult present, Andrew was swiftly charged with Judith's murder. Despite attempting to recount his statement and a legal defense at trial that defied the prosecution's arguments that Andrew Evans was guilty, a judge sentenced him to life behind bars. He was eventually acquitted in 1997 in what was, at the time, Britain's longest miscarriage of justice. While Andrew Evans fought for his freedom, another man drove up and down England undetected: Peter William Sutcliffe. Eventually proven capable of inflicting unimaginable horror at any given opportunity, an independent inquiry dubbed him likely responsible for more

murders than the 13 he was convicted of and the seven others he attempted between 1975 and 1980. In *The Murder of Judith Roberts*, Chris Clark and Tanita Matthews examine evidence that concludes that Sutcliffe, whose violent criminal history dates back as far as 1969, was the real culprit responsible for Judith's murder. With never before-published dialogue from Andrew Evans' police interviews showing the grave miscarriage of justice, the case file of the five-decade cold case is examined under a new light.

*Little Black Book of Murder* Nancy Martin, 2013-08-06 Society columnist Nora Blackbird is thrust into the world of celebrity tabloid gossip when a billionaire buys the farm.... Nora's assigned to write a profile on billionaire fashion designer Swain Starr, who recently retired to build a high-tech organic farm with his new wife, Zephyr, a former supermodel. But before Nora can get the story, the mogul is murdered. And now her boss wants her to snap up an exclusive on who killed Starr before the cops do. But solving this murder won't be easy with a family as colorful as Nora's. Mick, her sort-of husband, is associating with unsavory characters from his past. Her sister Libby is transforming into a stage mom for her diabolical twins. And Emma, the youngest Blackbird, is mysteriously kicked out of the house by Mick. Nora's home life may be hogging the spotlight, but there's also a matter of Starr's missing pig, which just might be the key to solving this mystery and the way Nora can bring home the bacon....

**The Warriors** Sol Yurick, 2007-12-01 The basis for the cult-classic film and the inspiration for a concept album written by Lin-Manuel Miranda and Eisa Davis, executive produced by Nas, releasing from Atlantic Records on October 18 Every gang in the city meets on a sweltering July 4 night in a Bronx park for a peace rally. The crowd of miscreants turns violent after a prominent gang leader is killed, and chaos prevails over attempts at order. The Warriors follows the Dominators as they make their nocturnal journey to their home territory without being killed. The police are prowling the city in search of

anyone involved in the mayhem. An exhilarating novel that examines New York City teenagers left behind by society, who form identity and personal strength through their affiliation with their family, *The Warriors* weaves together social commentary with ancient legends for a classic coming-of-age tale. This edition includes a new introduction by the author.

Down & Out: The Magazine Volume 2 Issue 2 James O. Born, John M. Floyd, Arthur Klepchukov, Kyle Stout, Ken Luer, Stephen Marlowe, Steven Nester, Josh Pachter, Walter Satterthwait, John Shepphird, Don Stoll, Jeff Vorzimmer, 2020-12-21 There are a number of noteworthy articles in this issue of *The Magazine*. We are fortunate to feature some of the correspondence between two legends of crime fiction, Walter Satterthwait and Bill Crider, both of whom recently passed away. For those who knew Walter and Bill, or were just fans of their work, there is a touch of their personalities that comes through in these exchanges and, at least for a moment, gives us an opportunity to experience their unique voices just a little bit, just one more time. Jeff Vorzimmer, editor of last year's *The Best of Manhunt* collection, tells us about Stephen Marlowe's career in the piece leading into his story *The Blonde at the Wheel*. Jeff also contributed a story of his own and we're happy to have this opportunity to showcase his many skills. We also have a couple of repeat appearances by writers who have appeared in previous issues. Arthur Klepchukov is back, as is John M. Floyd and John Shepphird. And with original stories by veterans like Josh Pachter and James O. Born, and newer offerings by Michael Cahlin, Steven Nester and Ken Luer, we're showing the art of the crime fiction short story is still going strong. May it ever be so.

**Killing Tom** Jerald Ford, 2014-05-16 Meet Walter and Jack. Two lazy, shiftless roommates without a long-term game-plan for life. Spending their days eking out a living and getting their thrills where they can, it was a comfort knowing that Walter's mother would eventually leave Walter a substantial inheritance. When it is discovered that her boyfriend Tom has embezzled hundreds of thousands of dollars from his law firm and is slowly going insane, Walter and Jack realize their dream of financial security is in serious danger. When things become desperate, they come to the realization they have only one recourse - Killing Tom. From a Facebook post by the author: Every other word out of the two heroes' mouths is an f-bomb, they abuse drugs and alcohol with abandon, one is in love with what may or may not be a transvestite, they want to kill an insane bloodthirsty attorney who wears women's lingerie and thinks he's an Apache and there is a hyperactive sheepdog. That's right, 'Killing Tom' goes to press.
