advantage of their student rate, which is just \$70 a year. Membership in either of these professional organizations will grant you contacts and connections to coders and billers all over the country.

A 21 year-old male is brought into the ED by his father who states that his son is dizzy and has anxiety. The ED provider runs a drug screen test and the test comes back positive for marijuana use. The final diagnosis is documented as marijuana abuse with anxiety disorder. What ICD-10-CM code is reported? A) F12.129 B) F12.10 C) F12.180 D) F19.10

Certified Professional Coder (CPC) is a highly trained certified medical coding professional. Get CPC certification and become a certified coding specialist. AAPC helps you with CPC test FAQs, medical coding certification cost, CPC preparation tips and strategy, and double your chance of passing with CPC training.

AAPC employees, agents, and staff make no representation, warranty, or guarantee that this compilation of information is error-free, and will bear no responsibility or liability for the results or consequences of the use of this course.

In fall of 2015, the test will adopt a four-section structure and include Biology and Biochemistry, Chemistry and Physics, Critical Reasoning, and Psychological and Social Biology. This final section will introduce new testing material in psychology and sociology as well as neurobiology of sensory organs, emotion, and cognition.

Medical Terminology Course Certificate & CEUs. Successful completion of this course requires students to achieve a score of 80% or higher on all module review exams and on the final exam. Upon passing the Medical Terminology Online Course, students will receive a Medical Terminology Certificate. AAPC certified members will also receive 20 CEUs.

The questions are organized to help prepare you for the certification test and are scored in the same fashion. At the end, you will be able to see your score and question response distribution, percentile, ratio of correct vs. incorrect answers, and the time you spent on each question. Another useful study tool are the question assessments.
