Exposition of the Christian Faith Saint Ambrose,Aeterna Press, The author praises Gratian's zeal for instruction in the Faith, and speaks lowly of his own merits. Taught of God Himself, the Emperor stands in no need of human instruction; yet this his devoutness prepares the way to victory. The task appointed to the author is difficult: in the accomplishment whereof he will be guided not so much by reason and argument as by authority, especially that of the Nicene Council.

Martyrs Mirror Thieleman Van Braght,1938-12-12 Classic graphic accounts of more than 4,000 Christians who endured suffering, torture, and a martyr's death because of their simple faith in the gospel of Christ. Includes more than 50 finely detailed etchings by noted Dutch artist Jan Luyken. Songs, letters, prayers, and confessions appear with the stories of many "defenseless Christians" who were able to love their enemies and return good for evil. This gigantic book calls believers to follow Jesus in all areas of life, even unto death. Come what may, true Christian commitment demands supreme discipleship and steadfast adherence to the teachings modeled by Jesus and his apostles. Written and published in 1659 by a Dutch

Mennonite, Thieleman J. van Braght, to strengthen the faith of his fellow believers, and translated into German in 1748 at the time of the French and Indian War for the same reason. In 1886 *Martyrs Mirror* was translated into English to challenge generations of Christians in North America. Free downloadable study guide available [here](#).

[The Original Aramaic New Testament in Plain English with Psalms & Proverbs \(8th edition without notes\)](#) Rev. David Bauscher, 2014-05-28 This is a translation (8th edition-2013) of *The Aramaic New Testament* (Aramaic was the language of Jesus and his countrymen of 1st century Israel) in a literal English prose translation of *The Peshitta New Testament*. A translation of the *Psalms & Proverbs* from the ancient Peshitta OT Version is included at the end. This translation is derived from the author's *Aramaic-English Interlinear New Testament* and *The Psalms & Proverbs interlinear*. This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of Yeshua (Jesus in ancient Aramaic) as He originally spoke them, in a literal and readable English rendering. 389 pages paperback without notes

[The Story of the Bible Society](#) William Canton, 1904

The Gospel According to Matthew, 1999 The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Becoming Orthodox Peter E. Gillquist, 1989 This is the story of a handful of courageous men and their congregations who risked stable occupations, security and the approval of life-long friends to be obedient to God's call. It is also the story of every believer who is searching for the Church. Where Christ is Lord. Where holiness, human responsibility, and the sovereignty of God are preached. Where fellowship is more than a covered-dish supper in the church basement. And where fads and fashions take a backseat to apostolic worship and doctrine.

The Book of Jubilees ,1888 The Book of Jubilees, Translated from the Ethiopic by 1854-1917 George Henry Schodde, first published in 1888, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

Signs and Symbols Adrian Frutiger, 1998 Discusses the elements of a sign, and looks at pictograms, alphabets, calligraphy, monograms, text type, numerical signs, symbols, and trademarks.

I Need Answers Dawit Muluneh, 2019-12-13 Whether you are just beginning your journey into the Ethiopian Orthodox Tewahedo Church or have long been a member but are looking for answers to your questions about the church, I Need Answers is for you. Although the answers are gathered from Church fathers and holy books, the style of writing provides clear answers to complicated questions. The past few years the Ethiopian Orthodox Tewahedo Church has seen her youth leaving in mass numbers. Why? Mainly because the youth cannot get understandable answers to their questions. The Church uses Amharic as its primary language and Ge'ez as the liturgical, preventing young people born in America from being able to understand the worship or teaching of the Ethiopian Orthodox Tewahdo Church.. Deacon Dawit Muluneh, who has traveled around the United States teaching and preaching during the last decade, has gathered the most frequently asked questions and provided answers in a way that can be understood by the youth. Each chapter focuses on a particular question, addressing central themes of Christianity and teaching about the uniqueness of the Ethiopian Orthodox Tewahedo Church. It also addresses issues specific to young adults like spiritual dating and depression and more controversial issues like homosexuality in the context of the church.
