Becoming Orthodox Peter E. Gillquist, 1989 This is the story of a handful of courageous men and their congregations who risked stable occupations, security and the approval of life-long friends to be obedient to God's call. It is also the story of every believer who is searching for the Church. Where Christ is Lord. Where holiness, human responsibility, and the sovereignty of God are preached. Where fellowship is more than a covered-dish supper in the church basement. And where fads and fashions take a backseat to apostolic worship and doctrine.

I Need Answers Dawit Muluneh, 2019-12-13 Whether you are just beginning your journey into the Ethiopian Orthodox Tewahedo Church or have long been a member but are looking for answers to your questions about the church, I Need Answers is for you. Although the answers are gathered from Church fathers and holy books, the style of writing provides clear answers to complicated questions. The past few years the Ethiopian Orthodox Tewahedo Church has seen her youth leaving in mass numbers. Why? Mainly because the youth cannot get understandable answers to their questions. The Church uses Amharic as its primary language and Ge'ez as the liturgical, preventing young people born in America from being able to understand the worship or teaching of the Ethiopian Orthodox Tewahdo Church.. Deacon Dawit Muluneh, who has traveled around the United States teaching and preaching during the last decade, has gathered the most frequently asked questions and provided answers in a way that can be understood by the youth. Each chapter focuses on a particular question, addressing central themes of Christianity and teaching about the uniqueness of the Ethiopian Orthodox Tewahedo Church. It also addresses issues specific to young adults like spiritual dating and depression and more controversial issues like homosexuality in the context of the church.

Church and State in Ethiopia: 1270 - 1527 Tadesse Tamrat,2009-12 The book by Dr. Tadesse Tamrat is an important contribution. ... In fact, the author shows his full and precise knowledge of past literature on Ethiopia, and his critical analysis of historical events is well founded on the results of recent work; but also-and this is an important novelty-he had access to hagiographical and historical documents, kept in Ethiopian monasteries, which had not previously been known to scholars. ... - Professor Enrico Cerulli, in BSOAS, Vol. 37, 1972. Once in a long while, books are written that set the standard in their discipline. Tadesse Tamrat's Church and State has been just such a book, a classic in Ethiopian

historiography, unsurpassed in its painstaking reconstruction of the medieval history of Ethiopia. Few historians have used the rich historical data of the gadl literature as exhaustively and as meticulously as Tadesse has done, teasing out crucial information as only an Ethiopian versed in church traditions could do. Equally significant for the value of the book has been the blending of these Ethiopian traditional sources with the rich contemporary Arabic sources and the commentaries and analyses of such authorities as Carlo Conti Rossini. In short, what Tadesse has done through this masterly reconstruction is to blaze the trail that other Ethiopian historians have followed, a process that culminated in the growth and ripening of professional Ethiopian historiography. - Professor Bahru Zewde is the author of A History of Modern Ethiopia Professor Tadesse Tamrat's magisterial historical work Church and State in Ethiopia, 1270-1527, documents the rise and expansion of a new dynasty in highland Christian Ethiopia and the simultaneous growth of Ethiopian monasticism as an intellectual and cultural force. Based upon a broad range of primary sources previously either unknown or not utilized, this book remains the essential text for the history of the highland Christian state of Ethiopia during the period of its development as the dominant state in the Horn of Africa. This seminal work established the historical foundation for subsequent studies in the history of highland Ethiopia, including specialized cultural and historical analyses of theology, music and religious art. - Professor Marilyn E. Heldman is the author of African Zion: The Sacred Art of Ethiopia
