1 Enoch as Christian Scripture Bruk Ayele Asale,2020-06-05 Since its publication in English translation in 1821, the book of Enoch has enjoyed immense popularity in Western culture as a variety of religious groups, interested historians, and academics have sought to illuminate the Jewish context of Christian beginnings two thousand years ago. Taking the quotation of 1 Enoch in Jude 14 as its point of departure, the present study explores the significance of Enochic tradition within the context of Christian tradition in the Horn of Africa, where it continues to play a vital role in shaping the diverse yet interrelated self-understanding of Orthodox, Catholic, and Protestant churches. As discussions on the importance of 1 Enoch from antiquity to the present take on new dimensions among increasingly global and diverse voices, 1 Enoch as Christian Scripture offers a rare orientation into a rich culture in which the reception of the book is at home as a living tradition more than anywhere else in the world today. The present work argues that serious attention to 1 Enoch holds forth an opportunity for church traditions in Ethiopia--and, indeed, around the world--to embrace some of their indigenous roots and has the capacity to breathe life into time-worn expressions of faith.

The Apocrypha ,2009 The number of books in the Bible depends on which Bible is being referenced. Protestant and Catholic churches recognize 27 New Testament books. Protestants recognize 39 books of the Jewish canon in the Old

Testament. Roman Catholics hold 46 books of the Old Testament as canon, along with expanded versions of Esther and Daniel. In addition to the 73 books of the Catholic Bible, the Orthodox Church adds three more books to their canon. By far, the largest canon of all is found in the Ethiopic Church, whose Bible totals 81 books. This Apocryphal volume contains the books of the Catholic, Orthodox, and Ethiopic Bibles, which include: 1 Esdras, 2 Esdras, 1 Maccabees, 2 Maccabees, 3 Maccabees, 4 Maccabees, Letter (Epistle) of Jeremiah, The Prayer of Azariah, Baruch, Prayer of Manasseh (Manassas), Bel and the Dragon, Wisdom of Sirach, Wisdom of Solomon, Additions to Esther, Tobit, Judith, Susanna, Psalm 151, Enoch, Jubilees, 1 Clements, Shepherd of Hermas.

He reveals not just cultural similarities but spiritual dimensions of common thought and practice, providing an overarching view of the story of the Bible. - Publisher.

Becoming Orthodox Peter E. Gillquist, 1989 This is the story of a handful of courageous men and their congregations who risked stable occupations, security and the approval of life-long friends to be obedient to God's call. It is also the story of every believer who is searching for the Church. Where Christ is Lord. Where holiness, human responsibility, and the sovereignty of God are preached. Where fellowship is more than a covered-dish supper in the church basement. And where fads and fashions take a backseat to apostolic worship and doctrine.

Amharic cultural reader Wolf Leslau, Thomas Leiper Kane, 2001 This collection of essays has two purposes: first to give the advanced student of Amharic a sample of the Amharic writing style and secondly to provide information on Ethiopia's cultural background. The texts were written by several Ethiopian university students some 40 years ago on subjects with which they were most familiar such as naming, christening, wedding, burial ceremony, food and drink, the manner of wearing clothes, house construction in Amhara country, daily work of an Ethiopian woman, landholding disputes, beauty, merchant, mercato, country market, artisans, elderhood, priests, dabtara, monkhood, divination, Christmas, Easter, Addis Ababa, the City of Gondar, Harar City etc. Although some time has passed since the collection was compiled the texts convey a good picture of Ethiopian culture. Each Amharic text is given an English translation on the opposite side. The book is completed by an Amharic-English Dictionary of nearly 90 pages and an index of English words and Amharic lexemes.

Treasures of Ethiopia and Eritrea in the Bodleian Library, Oxford Bodleian Library, Sebastian Brock, David Appleyard, Siam Bhayro, Steve Delamarter, Antonella Brita, Sean M. Winslow, Judith S. McKenzie, Girma Getahun, 2019 In Ethiopia and Eritrea manuscripts, often beautifully illustrated, have been for centuries the principal means of recording not just the Scriptures but also historical information. Ethiopic manuscripts thus provide a unique window into the life and culture of Ethiopians and Eritreans up to the twenty-first century. The collection of Ethiopic manuscripts in the Bodleian Library in Oxford is one of the most significant in Europe. The Bodleian acquired its first Ge'ez manuscript in 1636 and further expanded its collection in 1843, when it acquired twenty-four of the manuscripts that the Scottish explorer James Bruce had brought back from Ethiopia and Eritrea. During the twentieth and twenty-first centuries the Bodleian Library has continued to expand its holdings of Ethiopic manuscripts through new acquisitions. Especially noteworthy are the forty-five manuscripts that the former Oxford University Medical Officer Bent Juel-Jensen bequeathed to the library at his death in

2007. The essays in this lavishly illustrated volume shed light on Ethiopia and Eritrea's fascinating past by looking at some of the most remarkable Ethiopic manuscripts kept at the Bodleian Library. The first three essays function as an introduction and examine the history of the collection, the classical Ethiopic (Ge'ez) language, and the production of manuscripts in Ethiopia and Eritrea. The remaining nine contributions - each devoted to one of the Bodleian's manuscripts - explore different facets of the manuscript tradition of Ethiopia and Eritrea. With its unique focus on the Bodleian's collection, this landmark volume presents a comprehensive and accessible overview of the context in which Ethiopic manuscripts were produced and makes the library's treasures more accessible to scholars and the interested public.
