*Practical Practice: Business Math - Life Skills - Chapter Slice* Remedia Publications, 2022-05-30 Life Skills | Practical Application | Business Math Students Learn the Practical Application of a Wide Range of Math Skills Related to Running a Business Through the use of real-life story-problem scenarios, students get plenty of practice with analyzing the information

in word problems and applying the correct math operations to solve the problems. Business Math includes four pages of colorful, realistic images, photos, and information that focus on the income and expenses of four different businesses. The corresponding word problems were designed to develop math proficiency and to help students understand why mastery of essential math skills is so important to success in the real world. Businesses include: Rainbow Falls Summer Camp, Sandler's Restaurant, Golden Shores Resort, and Creative Concepts Print Shop. Questions Students are asked to use the four colorful pages describing each business to find the information they need in order to solve the math word problems. When solving a problem, students may need to use the answer from another problem on the same page. Problems progress in difficulty as students work through the questions for each menu. The first activity page introduces students to the business information by asking comprehension questions. Answering these questions will familiarize students with the information they will need to solve the word problems Skills A wide range of math skills is covered in this program. Students will solve word problems that involve addition, subtraction, multiplication, and division as well as money, time, measurement, percents, decimals, and fractions. Some of the word problems are simple, one-step problems while others involve multiple steps that require students to really think about the problem. Each activity page lists the math skills covered at the top of the page. Details Total of 90 Pages Includes: •16 Full-Color Business Information Pages • Activity Pages • Step-by-Step Learning Tools • Bonus Pages Spreadsheet Problems for Business Math Wraye,1996-09
