Can't Hide from Me Cordelia Kingsbridge,2016-10-03 Running into your ex is hard enough without a dangerous stalker in the mix. Charles Hunter's team is on a mission to extract an unidentified ATF agent from an undercover job gone wrong. All they've got to go on is the rendezvous location -- until Charles recognizes the ex he hasn't seen in years. Their simple rescue mission is about to get a lot more complicated. For Angel Medina, adjusting to life after his cartel nightmare is hard enough without confronting memories of a failed relationship. All he wants is a fresh start. But when a violent stalker lashes out from the shadows, Angel realizes his nightmare is far from over. As the stalker's obsession escalates and bodies start dropping, Charles and Angel are thrown together in a desperate search for the culprit. Tempers flare and old passions reignite, drawing them back into the same turbulent relationship that once ended in disaster. But the stalker isn't letting go -- and the next strike might hit straight through the heart.

come true. Senior year is all about making fun memories. It's not about starting over at a new school and navigating a new Brady Bunch family. It's really not about living with a sexy, arrogant would-be stepbrother who knows how to push her buttons. Alex Montgomery is the very definition of a player. The only thing he commits to is a one night stand. He's exactly the kind of guy she hates. When she sleeps with him, it's the biggest mistake of her life. Now she can't stop thinking about him. Not at school. Not at home. Sometimes the best mistakes are the ones that you make over and over again...
