City of Shadows Peter Doyle, Caleb Williams, 2005 The extensive collection of police forensic negatives casts a fascinating light on the shadowy underworld of Sydney between the wars. In the mugshots we encounter people of that world - thieves, breakers, receivers, 'magsmen', false pretenders, 'hotel barbers', dope users, prostitutes, makers of false oaths - and the occasional murderer. And within this medium of crime and accident scene photographs we are able to view, sometimes in extraordinary detail, their physical milieu - the mean kitchens, bedrooms and parlours, the pubs, boarding houses, corner shops and residential, the garages, back lanes and byways of a city that is both eerily strange but all too familiar.

Winner of the 2017 Prose Award for Excellence in Social Sciences and the 2017 Prose Category Award for Law and Legal Studies, sponsored by the Professional and Scholarly Publishing Division, Association of American Publishers. Silver Medal from the Independent Publisher Book Awards (Current Events/Social Issues category). Americans are slowly waking up to the dire effects of racial profiling, police brutality, and mass incarceration, especially in disadvantaged neighborhoods and communities of color. The criminal courts are the crucial gateway between police action on the street and the processing of primarily black and Latino defendants into jails and prisons. And yet the courts, often portrayed as sacred, impartial institutions, have remained shrouded in secrecy, with the majority of Americans kept in the dark about how they function internally. *Crook County* bursts open the courthouse doors and enters the hallways, courtrooms, judges' chambers, and attorneys' offices to reveal a world of punishment determined by race, not offense. Nicole Gonzalez Van Cleve spent ten years working in and investigating the largest criminal courthouse in the country,

Chicago-Cook County, and based on over 1,000 hours of observation, she takes readers inside our so-called halls of justice to witness the types of everyday racial abuses that fester within the courts, often in plain sight. We watch white courtroom professionals classify and deliberate on the fates of mostly black and Latino defendants while racial abuse and due process violations are encouraged and even seen as justified. Judges fall asleep on the bench. Prosecutors hang out like frat boys in the judges' chambers while the fates of defendants hang in the balance. Public defenders make choices about which defendants they will try to save and which they will sacrifice. Sheriff's officers cruelly mock and abuse defendants' family members. Delve deeper into Crook County with related media and instructor resources at www.sup.org/crookcountyresources. Crook County's powerful and at times devastating narratives reveal startling truths about a legal culture steeped in racial abuse. Defendants find themselves thrust into a pernicious legal world where courtroom actors live and breathe racism while simultaneously committing themselves to a colorblind ideal. Gonzalez Van Cleve urges all citizens to take a closer look at the way we do justice in America and to hold our arbiters of justice accountable to the highest standards of equality.

Rogues Patrick Radden Keefe, 2022-06-28 NEW YORK TIMES BESTSELLER • From the award-winning author of *Empire of Pain* and *Say Nothing*—and one of the most decorated journalists of our time—twelve enthralling true stories of skulduggery and intrigue An excellent collection of Keefe's detective work, and a fine introduction to his illuminating writing. —NPR “Fast-paced...Keefe is a virtuoso storyteller. —The Washington Post Patrick Radden Keefe has garnered prizes ranging from the National Magazine Award to the Orwell Prize to the National Book Critics Circle Award for his meticulously-reported, hypnotically-engaging work on the many ways people behave badly. *Rogues* brings together a dozen of his most celebrated articles from *The New Yorker*. As Keefe says in his preface “They reflect on some of my abiding preoccupations: crime and corruption, secrets and lies, the permeable membrane separating licit and illicit worlds, the bonds of family, the power of denial.” Keefe brilliantly explores the intricacies of forging \$150,000 vintage wines, examines whether a whistleblower who dared to expose money laundering at a Swiss bank is a hero or a fabulist, spends time in Vietnam with Anthony Bourdain, chronicles the quest to bring down a cheerful international black market arms merchant, and profiles a passionate death penalty attorney who represents the “worst of the worst,” among other bravura works of literary journalism. The appearance of his byline in *The New Yorker* is always an event, and collected here for the first time readers can see his work forms an always enthralling but deeply human portrait of criminals and rascals, as well as those who stand up against them.

Shlemiel Crooks Anna Olswanger,2005 In the middle of the night on a Thursday, two crooks--onions should grow in their navels--drove their horse and wagon to the saloon of Reb Elias Olschwanger, at the corner of 14th and Carr streets in St. Louis. This didn't happen yesterday. It was 1919. So begins Anna Olswanger's imaginative and charming folktale based on the Yiddish community of her grandparents in the early 20th century. In original and engaging storytelling, Shlemiel Crooks brings to life the theft (and recovery) of the community's passover wine, and gives readers of all ages and of whatever religious persuasion a close look at the customs and speech patterns of a significant immigrant group.
