The Triumphant Church Kenneth E. Hagin, 1993-07 Rev. Kenneth E. Hagin's newest book, *The Triumphant Church: Dominion Over All the Powers of Darkness* is a comprehensive biblical study on the subject of demonology. Rev. Hagin builds a thorough study from the Scriptures on the origins of Lucifer and how Satan became the god of this world. Rev. Hagin shows the difference between oppression, obsession, and possession and discusses various ways believers can give Satan access in their lives. *The Triumphant Church* will show you how to enforce Satan's defeat in your life so you can live in the victory God intended for every believer. No longer will you have to try to battle to a place of victory once you understand the authority that is yours in Jesus Christ. As a believer, you are seated in heavenly places in Christ far above all powers and principalities now. So if you're not looking down on the devil, you're not high enough! Come on up and sit in heavenly places in Christ where you belong. Learn how to take your place in Christ as the triumphant Church-which is always a position of victory!

Exorcism and Deliverance Ministry in the Twentieth Century James M. Collins,2009-11-10 This study seeks to demonstrate that exorcism/deliverance ministry is an innately enthusiastic practice utilizing John Knox's classic study of Christian enthusiasm. The twentieth century provides an ideal arena for such a study since it frames a complete lifecycle for this rite from its infancy during the early decades, through its heyday in the 1970s and 80s, on to creeping routinisation by the end of the century. Two enthusiastic settings, Charismatic and Evangelical Fundamentalist, are identified and examined

as the environment in which two related streams of exorcism/deliverance ministry was practiced. Finally, enthusiastic Sacramentalist exorcism is considered in order to establish the thesis that enthusiastic settings provide a conducive atmosphere for the emergence and practice of exorcism/deliverance ministry. Attention is paid to historical factors within the Charismatic and Evangelical Fundamentalist streams that underlie the development of this rite. As a result important secondary insights are gained into the tidal nature of enthusiastic movements, the role of itinerant preachers in the propagation of enthusiasm, the routinisation of enthusiastic practices and the manner in which enthusiasm overcomes institutional denominational boundaries. The study provides the foundation for future investigation of the manner in which enthusiastic experience is presented for apologetic purposes, the relationship between exorcism/deliverance ministry and millenarianism and the practice of this rite within non-Western churches.

The Grammar of the Spirit World in Pentecostalized Africa Hermen Kroesbergen, Johanneke Kroesbergen-Kamps, Philipp Öhlmann, 2023 What does it mean for the spirit world to be real? Scholars from different disciplines investigate this topic focusing on the role played by the spiritual realm in Pentecostalized Africa. The grammatical angle of their research proves to be a fruitful avenue to clarify the kind of reality or realities the spirit world has. This novel approach takes us beyond most existing research by investigating the often unaddressed assumption that we know what it means for the spirit world to be taken as real. This volume shows the importance of paying close attention to the grammar according to which people speak of spirits, Spirit, witchcraft, ancestors and other aspects of the spirit world.

The 'Spiritual Death' of Jesus William Atkinson, 2009-03-16 The teaching of Kenyon, Hagin and Copeland that Jesus 'died spiritually' (JDS) is important because of the influence of these men, not least on Pentecostalism. This title states that adoption of JDS by Pentecostalism would be damaging in several respects, and thus draw the latter away from its moorings in traditional Christianity.
