**Dynamic Business Law: The Essentials** Lucien Dhooge, M. Neil Browne, Linda Barkacs, Daniel Herron, Nancy Kubasek, 2012-01-05 Dynamic Business Law: The Essentials is appropriate for the one-semester Business Law course. It contains the basics of business law but does not get bogged down in the kind of details that are more appropriate in an upper-level law class. The text provides an examination of the basic questions, concepts, and legal rules of business law. Emphasis on the BUSINESS in business law. Dynamic Business Law: The Essentials emphasizes the tie of legal issues back to the core business curriculum. This will help both students and faculty. Faculty need to know how this is integrated as they are constantly 'defending' the inclusion of this course in the business curriculum. And students need to understand how the concepts tie to their future business careers. Emphasis on TEACHING. Many professors teaching this course are attorneys first and academics second. They do not have a lot of time to prepare or think about how to apply this information effectively for their business students. Dynamic Business Law: The Essentials contains a helpful instructor's manual, particularly for the many adjuncts teaching this course. Emphasis on CRITICAL THINKING. Neil Browne, one of the co-authors of this text, has written a successful text on critical thinking. His framework is included in Dynamic Business Law: The Essentials as well - to help students learn how to frame and reframe a question/issue. Critical thinking questions are also included at the end of each case, to tie in this component even further.

**Legal Environment** Jeffrey F. Beatty, Susan S. Samuelson, 2010-01-19 With Beatty and Samuelson's exciting fourth edition of LEGAL ENVIRONMENT, today's students are given personal experience in applying legal concepts to real-life issues using practical exercises found throughout the text. From the very first chapter, the authors' superb writing fascinates, drawing students into the concepts of business law within the context of vivid examples and memorable scenarios. No other text is as effective at equipping future business leaders with the knowledge and tools to anticipate the challenges that await them. LEGAL ENVIRONMENT, Fourth Edition teaches students why business law matters not only to their careers but also to their daily lives. **Business Law and the Regulation of Business** Richard A. Mann,Barry S. Roberts,2016-01-01 Recognized for accurate, relevant, and straightforward coverage, BUSINESS LAW AND THE REGULATION OF BUSINESS, 12E illustrates how legal concepts apply to common business situations. The book's comprehensive, yet succinct, approach provides a depth of coverage ideal for business success and CPA exam preparation without technical jargon. The text includes both landmark and recent cases with the facts and decision summarized for clarity, while the opinion is carefully edited to preserve the language of the court. More than 220 figures, tables, diagrams, concept reviews, and chapter summaries clarify concepts. All key legal terms are clearly defined and explained. In addition, each chapter is carefully organized with numerous illustrative hypothetical and case examples that relate content to real-life experiences. Numerous critical-thinking features further strengthen readers' analytical skills. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

**Business Law I Essentials** MIRANDE. DE ASSIS VALBRUNE (RENEE. CARDELL, SUZANNE.),Renee de Assis,Suzanne Cardell,2019-09-27 A less-expensive grayscale paperback version is available. Search for ISBN 9781680923018. Business Law I Essentials is a brief introductory textbook designed to meet the scope and sequence requirements of courses on Business Law or the Legal Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to establish a strong foundation in the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions. Business Law I Essentials may need to be supplemented with additional content, cases, or related materials, and is offered as a foundational resource that focuses on the baseline concepts, issues, and approaches.

**International Business Law and the Legal Environment** Larry A. DiMatteo,2016-11-25 International Business Law and the Legal Environment provides business students with a strong understanding of the legal principles that govern doing

business internationally. Not merely about compliance, this book emphasizes how to use the law to create value and competitive advantage. DiMatteo's transactional approach walks students through key business transactions—from import and export, contracts, and finance to countertrade, dispute resolution, licensing, and more—giving them both context and demonstrating real world application. This new edition also includes: New material on comparative contract and sales law & European private law; joint ventures and collaborative alliances. A new part on foreign direct investment that includes a chapter on emerging markets. New chapters on privacy law, and on environmental concerns. Greater coverage of the World Trade Organization. Case highlights and court opinions that feature edited court transcripts which expose students to actual legal reasoning and an understanding of the underlying legal principles. These decisions are drawn from a broad range of countries, offering a truly international look at the subject. Students of business law and international business courses will find DiMatteo's clear writing style easy to follow. A companion web site includes an instructor's manual, PowerPoints, and other tools to provide additional support for students and instructors.

*Hospitality Law* Stephen C. Barth, Diana S. Barber, 2017-05-10 *Hospitality Law: Managing Legal Issues in the Hospitality Industry*, Fifth Edition takes an applied approach to the study of hospitality law with its touchstone of compliance and prevention. The book is highly pedagogical and includes many interactive exercises and real world cases that help students focus on the practical application of hospitality laws and model their decision process to avoid liability. As a result, this book does look different than others on the market as the legal information contained is carefully selected to specifically correlate with helping students understand how to do the right thing, i.e., it is not a comprehensive book on the laws. Barth immediately helps readers learn about the legalities of situations and work through exercises – both individually and in groups -- to effectively apply them to hospitality management situations. Many instructors teach their course from a very applied perspective, which aligns with Barth's approach.
