Concrete Rose Angie Thomas, 2021-01-12 International phenomenon Angie Thomas revisits Garden Heights seventeen years before the events of *The Hate U Give* in this searing and poignant exploration of Black boyhood and manhood. A Printz Honor Book! If there's one thing seventeen-year-old Maverick Carter knows, it's that a real man takes care of his family. As the son of a former gang legend, Mav does that the only way he knows how: dealing for the King Lords. With this money he can help his mom, who works two jobs while his dad's in prison. Life's not perfect, but with a fly girlfriend and a cousin who always has his back, Mav's got everything under control. Until, that is, Maverick finds out he's a father. Suddenly he has a baby, Seven, who depends on him for everything. But it's not so easy to sling dope, finish school, and raise a child. So when he's offered the chance to go straight, he takes it. In a world where he's expected to amount to nothing, maybe Mav can prove he's different. When King Lord blood runs through your veins, though, you can't just walk away. Loyalty, revenge, and responsibility threaten to tear Mav apart, especially after the brutal murder of a loved one. He'll have to figure out for himself what it really means to be a man.

Doing Pragmatics Peter Grundy,2013-11-26 Doing Pragmatics achieved success through its unparalleled capacity to render pragmatics truly accessible to students. Embracing the comprehensive and engaging style which characterised the previous editions, the third edition is fully revised and expanded. Grundy consolidates the strengths of the original version, reinforcing its unique combination of theory and practice with new theory, exercises and up-to-date, real data and examples. New chapters include pragmatic inference and language evolution, and intercultural pragmatics. Doing Pragmatics is designed for pragmatics courses both at an introductory and a more advanced level. It extends beyond theory to promote an applied understanding of empirical data and to provide students with the opportunity to 'do' pragmatics themselves, providing the ideal foundation for all those studying linguistics and ELT.
