Giant wolf prints are found, and Anna spies the form of a great wolf from a surveillance plane. When a female member of the team is savaged, Anna is convinced they are being stalked, and what was once a beautiful, idyllic refuge becomes a place of unnatural occurrences and danger beyond the ordinary...Featuring maps, graphs, photographs, and questions used in previous National Geographic Bees, this guide presents geographic facts and helps young readers understand themes and relationships, and how geographers view their world.This reconceptualization of the text "Understanding Earth" reflects the fundamental changes in the field of physical geology over the past several years.Identifies hidden treasures and lesser-known points of interest in each of America's national parks.The Gettysburg Campaign Exam Study Guide, Volume One contains 700+ questions and answers regarding the armies, chronologies, maps, cemeteries, commanders of the 1863 Pennsylvania Campaign. The book's format and content help a students' exam performance.Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifyingly Eloquent A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding—and not an ounce of sentimentality. Mesmerizing, heartbreaking, Into the Wild is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.Featuring maps, graphs, photographs, and questions used in previous National Geographic Bees, this guide presents geographic facts and helps young readers understand themes and relationships, and how geographers view their world. • 695 GRE prep questions • Three complete practice Verbal tests • Detailed overview of GRE Verbal Reasoning section • Indispensable guidelines and advice • Dozens of handy tips and tricks If you've been searching for that perfect, all-in-one prep solution for the GRE Verbal Reasoning section, the search is over. It provides hundreds of questions and answers in the areas that will likely be covered on your upcoming exam, including but not limited to: understanding and interpreting written material; preparing written material; English usage, grammar, spelling and punctuation; understanding and applying rules and procedures; dealing with the public in the parks; and more."Puzzles, games, facts, and tons more fun inspired by the U.S. national parks!"-- Cover.Expert advice from the rangers on how to observe and study a variety of habitats, plants, birds, and mammals without disturbing the eco-system.A nature book unlike any other, Jordan Fisher Smith's startling account of fourteen years as a park ranger thoroughly dispels our idealized visions of life in the great outdoors. Instead of scout troops and placid birdwatchers, Smith's beat – a stretch of land that has been officially condemned to be flooded – brings him into contact with drug users tweaked out to the point of violence, obsessed miners, and other dangerous creatures. In unflinchingly honest prose, he reveals the unexpectedly dark underbelly of patrolling and protecting public lands.So You Want To Become a National Park Service Seasonal Interpretative Park Ranger? is for those who want to know the process to become a ranger and to realize the daily experiences of a seasonal interpretative park ranger.Includes Part 1A: Books and Part 1B: Pamphlets, Serials and Contributions to PeriodicalsDouglass Owen shares his expertise as a nature photographer, teacher, and ranger for the National Park Service. In his nearly twenty years as a park ranger Craters of the Moon National Monument and Preserve in Idaho, Doug taught countless park visitors how boosting their skills as naturalists could improve their results as photographers. In this guide, readers everywhere can take advantage of the same training and master the field craft that enables top photographers to great wildlife shots—even with modest gear. In fact, Doug's approach actually favors those with simple equipment that frees them to concentrate on the subject and environment rather than fiddling with complex camera settings! Whether you are an accomplished image-maker or taking your first nature shots, the practical advice and techniques in this no-nonsense book will increase your odds of finding great subjects, prepare you to document them beautifully, and enhance your overall experience while working in the field.The Associate Urban Park Ranger Passbook(R) prepares you for your test by allowing you to take practice exams in the subjects you need to study. It provides hundreds of questions and answers in the areas that will likely be covered on your upcoming exam, including but not limited to: administrative duties; field supervision, enforcement duties and aided cases; training and instruction; evaluation and discipline; communications, public relations, inter-agency and intra-agency activities; and other related areas.For twelve years, Andrea Lankford lived in the biggest, most impressive national parks in the world, working a job she loved. She chaperoned baby sea turtles on their journey to sea. She pursued bad guys on her galloping patrol horse. She jumped into rescue helicopters bound for the heart of the Grand Canyon. She won arguments with bears. She slept with a few too many rattlesnakes. Hell yeah, it was the best job in the world! Fortunately, Andrea survived it. In this graphic and yet surprisingly funny account of her and others' extraordinary careers, Lankford unveils a world in which park rangers struggle to maintain their idealism in the face of death, disillusionment, and the loss of a comrade killed while holding that thin green line between protecting the park from the people, the people from the park, and the people from each other. Ranger Confidential is the story behind the scenery of the nation's crown jewels—Yosemite, Grand Canyon, Yellowstone, Great Smokies, Denali. In these iconic landscapes, where nature and humanity constantly collide, scenery can be as cruel as it is redemptive.In an era filled with mistrust for big government and big business, Charles Goodsell goes against this grain to draw attention to public agencies admired for what they do and how well they do it. In his groundbreaking new book, Goodsell places renewed focus on organizational mission and its potential to be a strong energizing force in government—one that animates a workforce internally and attracts admiration and talent externally. He offers a normative template for the mystique that underlies this phenomenon and highlights—in six rich case studies—a driving sense of purpose, a cultural and motivational richness, and a capacity for tolerating dissent while still innovating and learning. Analyzing what works best (and what doesn't), Goodsell provides a metric through which agency mystique can be evaluated and modeled. Goodsell's fresh take on public agencies not only defines good public administration in terms of ethical conduct, constitutional accountability, and performance effectiveness, but argues that the field must add the crucial standard of institutional vitality.Many people have dreamed of becoming a Park Ranger. They are drawn in by the thought of working and living outdoors in the most beautiful natural areas of the world. That was my dream a year before I actually became a Park Ranger. Now I am a Park Ranger at age 60 and I can show you how to do what I have just accomplished. You will learn how to study nature, wilderness medical training, interpretation skills, how to select and apply for positions and much more. Buy this book and I will show you how to get started today on the trail to becoming a Park Ranger. This book also includes color pictures of the author in action as a ranger.Imagine serving as a park ranger for our U.S. National Parks!An award-winning Outside magazine writer documents the 1983 Colorado River flood that threatened the region with a catastrophic dam failure and prompted oarsman Kenton Grua's near-suicidal effort to navigate the turbulent waters of the Emerald Mile on a small wooden dory to achieve a world speed record.NAMED A TOP 10 BOOK OF 2018 BY NPR and THE WASHINGTON POST WINNER OF THE LOS ANGELES TIMES BOOK PRIZE IN CURRENT INTERPRETATION FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE NONFICTION AWARD The instant New York Times bestseller, "A must-read for anyone who thinks 'build a wall' is the answer to anything." --Esquire For Francisco Cantú, the border is in the blood: his mother, a park ranger and daughter of a Mexican immigrant, raised him in the scrublands of the Southwest. Driven to understand the hard realities of the landscape he loves, Cantú joins the Border Patrol. He and his partners learn to track other humans under blistering sun and through frigid nights. They haul in the dead and deliver to detention those they find alive. Plagued by a growing awareness of his complicity in a dehumanizing enterprise, he abandons the Patrol for civilian life. But when an immigrant friend travels to Mexico to visit his dying mother and does not return, Cantú discovers that the border has migrated with him, and now he must know the full extent of the violence it wreaks, on both sides of the line.An unforgettably exuberant and potent novel by a writer at the height of her powers Two auditors for the U.S. egg industry go rogue and conceive a plot to steal a million chickens in the middle of the night—an entire egg farm's worth of animals. Janey and Cleveland—a spirited former runaway and the officious head of audits—assemble a precarious, quarrelsome team and descend on the farm on a dark spring evening. A series of catastrophes ensues. Deb Olin Unferth's wildly inventive novel is a heist story of a very unusual sort. Swirling with a rich array of voices, Barn 8 takes readers into the minds of these renegades: a farmer's daughter, a former director of undercover investigations, hundreds of activists, a forest ranger who suddenly comes upon forty thousand hens, and a security guard who is left on an empty farm for years. There are glimpses twenty thousand years into the future to see what chickens might evolve into on our contaminated planet. We hear what hens think happens when they die. In the end the cracked hearts of these indelible characters, their earnest efforts to heal themselves, and their radical actions will lead them to ruin or revelation. Funny, whimsical, philosophical, and heartbreaking, Barn 8 ultimately asks: What constitutes meaningful action in a world so in need of change? Unferth comes at this question with striking ingenuity, razor-sharp wit, and ferocious passion. Barn 8 is a rare comic-political drama, a tour de force for our time.The Senior Park Ranger Passbook® prepares you for your test by allowing you to take practice exams in the subjects you need to study. It provides hundreds of questions and answers in the areas that will likely be covered on your upcoming exam, including but not limited to: educating and interacting with the public; criminal procedure law, penal law and other laws related to park operation; search and rescue, including first aid; supervision; preparing, understanding and interpreting written material; and more.
