An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.

Aug 21, 2003 · Philosophical points. Some experts describe needs as 'instrumental' or fundamental to the achievement of a desirable goal [] while others highlight a non-instrumental (or absolute) sense of needs[9,10]. Baldwin [] proposed a rather theoretical definition of need, that is a 'tension need' which implies a desire to compensate for some disequilibrium such as thirst due ...
