Stories We Never Tell Savi Sharma,2022-12-22 There are stories we never talk about. Stories we are afraid to share. Simply because they hurt too much or no one wants to listen to them. Such was the story of Jhanvi, who is a budding social media influencer. She appears to have it all together, living her ideal life, but something is missing: Jhanvi has this impossible need that drives her to be more perfect than any person could possibly be. And the story of Ashray, who had a rocky start in life. With hard work and determination, he translates his dreams into reality, but his deep-seated insecurities come to the fore when life throws him a curveball. As their stories intersect, their lives change in ways they never expected. In a world of loss, darkness and destruction, will Jhanvi and Ashray be able to tell a story of hope, light and recovery?

Star Wars Origami ,2012-08-07 Kids love origami—and what could be cooler than transforming a piece of paper into Boba Fett, Princess Leia, Yoda, or R2-D2? And not just any paper, but custom-designed paper illustrated with art from the movies. Star Wars® Origami marries the fun of paper folding with the obsession of Star Wars. Like *The Joy of Origami* and *Origami on the Go*, this book puts an original spin on an ancient art. And like *Star Wars® Scanimation®* and *Star Wars® Fandex®*, it's a fresh take on Star Wars mania. Chris Alexander is a master folder and founder of the popular website [StarWarsOrigami.com](#), and here are 36 models, clearly explained, that range in difficulty from Youngling (easy) to Padawan (medium), Jedi Knight (difficult), and Jedi Master (tricky!). A front section introduces origami definitions and basic folds. Bound in the back is the book's unique folding paper, two sheets for each figure. Illustrated with original art, it makes each

creation—the essential lightsabers, the Death Star, and much more—true to the movies. Star Wars Origami includes a foreword by Tom Angleberger, author of the New York Times bestsellers *The Strange Case of Origami Yoda* and *Darth Paper Strikes Back*, and is scheduled to be published at the same time as Angleberger’s upcoming book, *The Secret of the Fortune Wookiee*.

Beyond Slavery Chris Gooding,2023-06-05 Is there life beyond slavery? In the past twenty years, there has been an explosion of research related to human trafficking. However, very little of it has examined the moral issues that survivors face after they are freed, or that aftercare workers face as they help survivors try to live a life outside of bondage. And there has been almost nothing written on how the tools of moral and political theology might offer insight for Christians who wish to help survivors live a normal life after enslavement. This book hopes to address this gap in the discussion. Drawing on over fifty interviews with survivors, aftercare workers, and human trafficking specialists from his field work in India, Chris Gooding confronts difficult questions that arise during rehabilitation. Why do so many survivors of trafficking end up walking back into bondage? What might life after slavery look like for survivors who helped enslave other people? How can we build antislavery coalitions that keep survivors' voices at the center? Gooding looks at all these questions through the eschatological hope that Christians have that the Messiah will one day break every chain and free all people from all forms of bondage.
