In Shaker Heights, a placid, progressive suburb of Cleveland, everything is planned—from the layout of the winding roads, to the colors of the houses, to the successful lives its residents will go on to lead. And no one embodies this spirit more than Elena Richardson, whose guiding principle is playing by the rules. Enter Mia Warren—an enigmatic artist and single mother—who arrives in this idyllic bubble with her teenaged daughter Pearl, and rents a house from the Richardsons. Soon Mia and Pearl become more than tenants: all four Richardson children are drawn to the mother-daughter pair. But Mia carries with her a mysterious past and a disregard for the status quo that threatens to upend this carefully ordered community. When old family friends of the Richardsons attempt to adopt a Chinese-American baby, a custody battle erupts that dramatically divides the town—and puts Mia and Elena on opposing sides. Suspicious of Mia and her motives, Elena is determined to uncover the secrets in Mia’s past. But her obsession will come at unexpected and devastating costs. Little

The Scarlet Letter □ Original February 1850 Uncensored Version Nathaniel Hawthorne, 2017-06-25 The Scarlet Letter caused quite a stir when it first appeared in February, 1850. The initial printing of 2,500 volumes sold out within ten days. It was one of the first mass-produced books in America and was widely read and discussed to an extent not much experienced in the young country up until that time. The Scarlet Letter - Original February 1850 Uncensored Version is the first incarnation of the book, before Hawthorne added a preface to a second edition of The Scarlet Letter which was published a month later. The story tells of Hester Prynne, condemned to wear the red letter A on her breast, as punishment for adultery - and because she resists all attempts of the Boston clergy to make her reveal the name of her child's father. Prynne's husband, an old physician who had remained in Europe, arrives in America to see her on the pillory. Assuming the name of Roger Chillingworth, he decides to seek revenge.

Hawthorne's the Scarlet Letter Leland Ryken, 2013 Guides readers through the signature book of American literature, Hawthorne's *The Scarlet Letter*, and unpacks its universal themes of sin, knowledge, and the human condition. Part of the Christian Guides to the Classics series.

Worldviews in Conflict Kevin Swanson, 2015 As long as Christian liberal arts programs fail to engage the challenges to Christianity in the battle of ideas, they play a part in the continuing decline of the faith in the Western world. It is extremely dangerous to accept the “great” thinkers and writers uncritically, whether it be Karl Marx, Ralph Waldo Emerson, or Nathaniel Hawthorne. The great thinkers and the liberal arts programs have influenced millions of young people to abandon the Christian faith over the centuries. Every Christian student should be familiar with the ideas and the writings that have formed the modern world and that subsequently undermined the Christian foundations in the West. Young people must also be well-versed and well-equipped to engage in the battle of worldviews before they graduate from high school or college. That is why this curriculum is so desperately needed. It includes: Selected readings and summaries of 15+ philosophers and authors, with in-depth analysis of influential literary works Reviews of popular music and movies Prayers to equip students in the war of ideas. This course presents a basic survey and a critical analysis of the philosophers, the literary masters, and the cultural influencers of the last 300 years for the Christian student. In contrast with other literature courses, this text is filled with relevant biblical references and truths that will equip the student to address the false worldviews contained in the “great” humanist works of this era.

Roads to Rome Jenny Franchot, 2024-03-29 The mixture of hostility and fascination with which native-born Protestants viewed the foreign practices of the immigrant church is the focus of Jenny Franchot's cultural, literary, and religious history of Protestant attitudes toward Roman Catholicism in nineteenth-century America. Franchot analyzes the effects of religious attitudes on historical ideas about America's origins and destiny. She then focuses on the popular tales of convent incarceration, with their Protestant maidens and lecherous, tyrannical Church superiors. Religious captivity narratives, like those of Indian captivity, were part of the ethnically, theologically, and sexually charged discourse of Protestant nativism. Discussions of Stowe, Longfellow, Hawthorne, and Lowell—writers who sympathized with Romanism and used its imaginative properties in their fiction—further demonstrate the profound influence of religious forces on American national character.
