Feb 20, 2019 · Not, "don't do it that way again," more like don't do it again unless I can afford to wait 8 weeks for that amount to show up in my account. Won't matter, though, 6-8 weeks of surviving entirely on Starbucks sugar packets and whatever coffee drinks people leave behind half-drunk, I'll be dead by then.

All benefits vary if you're working in a Chick-fil-A restaurant, because they're franchises and it's up to the operator. My franchised operator offers health insurance, but pays the minimum amount he legally can as an employer, meaning that because I make more money as a manager, I have to pay more money towards my insurance.

Franchising is based on a marketing concept which can be adopted by an organization as a strategy for business expansion. Where implemented, a franchisor licenses some or all of its know-how, procedures, intellectual property, use of its business model, brand, and rights to sell its branded products and services to a franchisee. In return the franchisee pays certain fees and ...

Etymology and inflection. The word barista comes from Italian, where it means a male or female "bartender" who typically works behind a counter, serving hot drinks (such as espresso), cold alcoholic and non-alcoholic beverages, and snacks. However, Prieto (2021) shows that the word barista has been documented since 1916 in both Spanish and Italian. The native plural in ...
