The Discord of Gods Jenn Lyons,2022-04-26 The Discord of Gods marks the epic conclusion to Jenn Lyons's Chorus of Dragons series, closing out the saga that began with The Ruin of Kings, for fans of Brandon Sanderson and Patrick Rothfuss. THEIR CONFLICT COULD END THEM ALL. Relos Var's final plans to enslave the universe are on the cusp of fruition. He believes there's only one being in existence that might be able to stop him: the demon Xaltorath. As these two masterminds circle each other, neither is paying attention to the third player on the board, Kihrin. Unfortunately, keeping himself classified in the 'pawn' category means Kihrin must pretend to be everything the prophecies threatened he'd become: the destroyer of all, the sun eater, a mindless, remorseless plague upon the land. It also means finding an excuse to not destroy the people he loves (or any of the remaining Immortals) without arousing suspicion. Kihrin's goals are complicated by the fact that not all of his 'act' is one. His intentions may be sincere, but he's still being forced to grapple with the aftereffects of the corrupted magic ritual that twisted both him and the dragons. Worse, he's now tied to a body that is the literal avatar of a star — a form that is becoming increasingly, catastrophically unstable. All of which means he's running out of time. After all, some stars fade — but others explode. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Middle-earth from Script to Screen Daniel Falconer,2017-11-21 For the first time ever, the epic, in-depth story of the creation of one of the most famous fantasy worlds ever imagined—an illustrious compendium that reveals the breathtaking craftsmanship, artistry, and technology behind the magical Middle-earth of the blockbuster film franchises, The Lord of the Rings Motion Picture Trilogy and The Hobbit Trilogy, directed by Peter Jackson. The Making of Middle-Earth tells the complete story of how J. R. R. Tolkien's magic world was brought to vivid life on the big screen in the record-breaking film trilogies The Lord of the Rings Motion Picture Trilogy and The Hobbit Motion Picture Trilogy. Drawing on resources, stories, and content from the archives of the companies and individuals behind the films, much of which have never appeared in print before, as well as interviews and a foreword by director Peter Jackson and key members of the Art Department, Shooting Crews, Park Road Post, and Weta Digital teams who share their personal insights on the creative process, this astonishing resource reveals: How the worlds were built, brick by brick and pixel by pixel; How environments were extended digitally or imagined entirely as computer generated spaces; How the multiple shooting units functioned; How cast members and characters interacted with their environments. Daniel Falconer takes fans from storyboard concepts to deep into the post-production process where the films were edited, graded, and scored, explaining in depth how each enhanced the films. He also discusses how the processes involved in establishing Middle-earth for the screen have evolved over the fifteen years between the start and finish of the trilogies. Going region by region and culture by culture in this fantasy realm, The Making of Middle-Earth describes how each area created for the films was defined, what made it unique, and what role it played in the stories. Illustrated with final film imagery, behind-the-scenes pictures and conceptual artwork, including places not seen in the final films, this monumental compilation offers unique and far-reaching insights into the creation of the world we know and love as Middle-earth.

The Hobbit J.R.R. Tolkien, 1986-07-12 The stirring adventure that begins *The Lord of the Rings*, the greatest fantasy epic of all time. When Thorin Oakenshield and his band of dwarves embark upon a dangerous quest to reclaim the hoard of gold stolen from them by the evil dragon Smaug, Gandalf the wizard suggests an unlikely accomplice: Bilbo Baggins, an unassuming Hobbit dwelling in peaceful Hobbiton. Along the way, the company faces trolls, goblins, giant spiders, and worse. But as they journey from the wonders of Rivendell to the terrors of Mirkwood and beyond, Bilbo will find that there is more to him than anyone—himself included—ever dreamed. Unexpected qualities of courage and cunning, and a love of adventure, propel Bilbo toward his great destiny . . . a destiny that waits in the dark caverns beneath the Misty Mountains, where a twisted creature known as Gollum jealously guards a precious magic ring.

The Guyde Howie Reith, 2016-11-19 *The Guyde* is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the law of attraction. You won't be reading anecdotes telling you about my successes or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. *The Guyde* is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating

The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and ghosting. You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
