Jennifer Hedgecock

Crosstown Crush Cara McKenna,2015-09 The first in a new series from the “wicked-hot”* author of Hard Time and Give It All explores the fantasies of a daring married couple—and those of a stranger invited to play along in their scandalous little games... When he’s working, Mike Heyer is all business—every inch the alpha male, with the hard, capable body to back up his persona. But at home he can be a different man entirely, harboring appetites only his wife gets to glimpse... When Samira first learned of her husband’s fantasies, she was reluctant, even alarmed. But after witnessing the way they set him on fire, she yielded, and happily indulged. As their games have intensified, so has the rush. And now so has the risk—they’re poised to take Mike’s indecent desires to the next level, by opening their bed to a sexy, brazen stranger. A man seeming custom-made to grant every last one of Mike and Samira’s sinful wishes. Welcoming someone new into their lives was always a dangerous proposition, but the couple imagined if anything was at stake, it was their privacy...not their hearts. *New York Times Bestselling Author Jaci Burton

Why Love Hurts Eva Illouz,2013-05-20 Few of us have been spared the agonies of intimate relationships. They come in many shapes: loving a man or a woman who will not commit to us, being heartbroken when we're abandoned by a lover, engaging in Sisyphean internet searches, coming back lonely from bars, parties, or blind dates, feeling bored in a relationship that is so much less than we had envisaged - these are only some of the ways in which the search for love is a difficult and often painful experience. Despite the widespread and almost collective character of these experiences, our culture insists they are the result of faulty or insufficiently mature psyches. For many, the Freudian idea that the family designs the pattern of an individual's erotic career has been the main explanation for why and how we fail to find or sustain love. Psychoanalysis and popular psychology have succeeded spectacularly in convincing us that individuals bear responsibility for the misery of their romantic and erotic lives. The purpose of this book is to change our way of thinking about what is wrong in modern relationships. The problem is not dysfunctional childhoods or insufficiently self-aware psyches, but rather the institutional forces shaping how we love. The argument of this book is that the modern romantic experience is shaped by a fundamental transformation in the ecology and architecture of romantic choice. The samples from

which men and women choose a partner, the modes of evaluating prospective partners, the very importance of choice and autonomy and what people imagine to be the spectrum of their choices: all these aspects of choice have transformed the very core of the will, how we want a partner, the sense of worth bestowed by relationships, and the organization of desire. This book does to love what Marx did to commodities: it shows that it is shaped by social relations and institutions and that it circulates in a marketplace of unequal actors.

The Femme Fatale in Victorian Literature Jennifer Hedgecock,2008 examines the changing social and economic status of women from the 1860s through the 1880s, and rejects the stereotypical mid-Victorian femme fatale portrayed by conservative ideologues critiquing popular fiction by Wilkie Collins, Mary Elizabeth Braddon, Honore de Balzac, and William Makepeace Thackeray. In these book reviews, the female protagonist is simply minimized to a dangerous woman. Refuting this one-dimensional characterization, this book argues that the femme fatale comes to represent the real-life struggles of the middle-class Victorian woman who overcomes major adversities such as poverty, abusive husbands, abandonment, single parenthood, limited job opportunities, the criminal underworld, and Victorian society's harsh invective against her. -- publisher description.

Three to Get Married Fulton J. Sheen,2017-03-31 One of the greatest and best-loved spokesmen for the Faith here sets out the Church's beautiful understanding of marriage in his trademark clear and entertaining style. Frankly and charitably, Sheen presents the causes of and solutions to common marital crises, and tells touching real-life stories of people whose lives were transformed through marriage. He emphasizes that our Blessed Lord is at the center of every successful and loving marriage. This is a perfect gift for engaged couples, or for married people as a fruitful occasion for self-examination.

David and Goliath Malcolm Gladwell,2013-10-03 Why do underdogs succeed so much more than we expect? How do the weak outsmart the strong? In David and Goliath Malcolm Gladwell, no.1 bestselling author of The Tipping Point, Blink, Outliers and What the Dog Saw, takes us on a scintillating and surprising journey through the hidden dynamics that shape the balance of power between the small and the mighty. From the conflicts in Northern Ireland, through the tactics of civil rights leaders and the problem of privilege, Gladwell demonstrates how we misunderstand the true meaning of advantage and disadvantage. When does a traumatic childhood work in someone's favour? How can a disability leave someone better off? And do you really want your child to go to the best school he or she can get into? David and Goliath draws on the stories of remarkable underdogs, history, science, psychology and on Malcolm Gladwell's unparalleled ability to make the connections others miss. It's a brilliant, illuminating book that overturns conventional thinking about power and advantage. 'A global phenomenon... there is, it seems, no subject over which he cannot scatter some magic dust' Observer

King Leopold's Ghost Adam Hochschild,2019-05-14 With an introduction by award-winning novelist Barbara Kingsolver In the late nineteenth century, when the great powers in Europe were tearing Africa apart and seizing ownership of land for

themselves, King Leopold of Belgium took hold of the vast and mostly unexplored territory surrounding the Congo River. In his devastatingly barbarous colonization of this area, Leopold stole its rubber and ivory, pummelled its people and set up a ruthless regime that would reduce the population by half. . While he did all this, he carefully constructed an image of himself as a deeply feeling humanitarian. Winner of the Duff Cooper Prize in 1999, King Leopold's Ghost is the true and haunting account of this man's brutal regime and its lasting effect on a ruined nation. It is also the inspiring and deeply moving account of a handful of missionaries and other idealists who travelled to Africa and unwittingly found themselves in the middle of a gruesome holocaust. Instead of turning away, these brave few chose to stand up against Leopold. Adam Hochschild brings life to this largely untold story and, crucially, casts blame on those responsible for this atrocity.

The Photomontages of Hannah Höch Hannah Höch,Peter W. Boswell,Maria Martha Makela,Carolyn Lanchner,Kristin Makhholm,1996 Here, in the first comprehensive survey of her work by an American museum, authors Peter Boswell, Maria Makela, and Carolyn Lanchner survey the full scope of Hoch's half-century of experimentation in photomontage - from her politically charged early works and intimate psychological portraits of the Weimar era to her later forays into surrealism and abstraction.

The Atonement Child Francine Rivers,2012-05-18 From the New York Times bestselling author of Redeeming Love and The Masterpiece—and “one of [Christian fiction's] most honored and talented writers” (Library Journal)—comes a heart-wrenching but uplifting story about a highly controversial topic. Dynah Carey knew where her life was headed. Engaged to a wonderful man, the daughter of doting parents, a faithful child of God—she has it all. Then the unthinkable happens: Dynah's perfect life is irrevocably changed by a rape that results in an unwanted pregnancy. Her family is torn apart and her seemingly rock-solid faith is pushed to the limits as she faces the most momentous choice of her life: to embrace or to end the life within her. This is ultimately a tale of three women, as Dynah's plight forces both her mother and her grandmother to confront the choices they made. Written with balance and compassion, The Atonement Child brings a new perspective to a widely debated topic.

Watchers Dean Koontz,2008-05-06 A “superior thriller”(Oakland Press) about a man, a dog, and a terrifying threat that could only have come from the imagination of #1 New York Times bestselling author Dean Koontz—nominated as one of America's best-loved novels by PBS's The Great American Read. Paying the Price of Freedom Christine Hünefeldt, 2024-06-14 Christine Hünefeldt documents in impressive, moving detail the striving and ingenuity, the hard-won triumphs and bitter defeats of slaves who sought liberation in nineteenth-century urban Peru. Drawing on judicial, ecclesiastical, and notarial records—including the testimony of the slaves themselves—she uncovers the various strategies slaves invented to gain their freedom. Hünefeldt pays particular attention to marriage relations and family life. Slaves used their family solidarity as a strategy, while slaveowners used the conflicts within families to prevent manumission. The author's focus on gender relations between slaveowners and slaves, as well as between slaves, is particularly original. Her eye for ethnographic detail and her perceptive reading of the documentary evidence make this book a rich and important contribution to the study of slavery in Latin America. His Lessons on Love Cathy Maxwell, 2022-01-25 New York Times bestselling author Cathy Maxwell's delicious Logical Man's Guide to Dangerous Women series continues with this provocative romance between a reprobate earl and a sensible spinster who agree to marry under scandalous circumstances. Perfect for fans of Sophie Jordan and Sabrina Jeffries. Lesson #1: A man, even titled and handsome, cannot be careless forever. The Earl of Marsden—better known as Mars to all—has lived his life by his own rules...until he is presented with a very big problem in a very tiny package—a baby girl, his daughter cast off by his ex-mistress. Mars won't let his child be cast adrift, except he doesn't know the first thing about babies. Panicking, he turns to a woman for help. Not just any woman, but Clarissa Taylor, village spinster, matron-in-training, and Mars's greatest critic. Still, who better to tend a motherless child than a woman who was abandoned as a babe herself? Lesson #2: Life always plays the upper hand—especially when it comes to love. Clarissa desperately wishes to not to be beholden to anyone. She has spent a lifetime being pitied by the village. Her plan is simple—to use what the intolerable earl will pay her to become her own woman. It all sounds so straightforward until the threat of scandal sends her and the one man she can't abide toward . . . marriage? Mars and Clarissa are about to learn the greatest lesson of all—that sparks always fly when the iron is hot.

Adulterous Nations Tatiana Kuzmic, 2016-11-15 In *Adulterous Nations*, Tatiana Kuzmic enlarges our perspective on the

nineteenth-century novel of adultery, showing how it often served as a metaphor for relationships between the imperialistic and the colonized. In the context of the long-standing practice of gendering nations as female, the novels under discussion here—George Eliot's *Middlemarch*, Theodor Fontane's *Effi Briest*, and Leo Tolstoy's *Anna Karenina*, along with August Šenoa's *The Goldsmith's Gold* and Henryk Sienkiewicz's *Quo Vadis*—can be understood as depicting international crises on the scale of the nuclear family. In each example, an outsider figure is responsible for the disruption experienced by the family. Kuzmic deftly argues that the hopes, anxieties, and interests of European nations during this period can be discerned in the destabilizing force of adultery. Reading the work of Šenoa and Sienkiewicz, from Croatia and Poland, respectively, Kuzmic illuminates the relationship between the literature of dominant nations and that of the semicolonized territories that posed a threat to them. Ultimately, Kuzmic's study enhances our understanding of not only these five novels but nineteenth-century European literature more generally.

Woman's Inhumanity to Woman Phyllis Chesler, 2009-05-01 Drawing on the most important studies in psychology, human aggression, anthropology, and primatology, and on hundreds of original interviews conducted over a period of more than 20 years, this groundbreaking treatise urges women to look within and to consider other women realistically, ethically, and kindly and to forge bold and compassionate alliances. Without this necessary next step, women will never be liberated. Detailing how women's aggression may not take the same form as men's, this investigation reveals—through myths, plays, memoir, theories of revolutionary liberation movements, evolution, psychoanalysis, and childhood development—that girls and women are indeed aggressive, often indirectly and mainly toward one another. This fascinating work concludes by showing that women depend upon one another for emotional intimacy and bonding, and exclusionary and sexist behavior enforces female conformity and discourages independence and psychological growth.

Berlin Coquette Jill Suzanne Smith, 2014-05-15 During the late nineteenth century the city of Berlin developed such a reputation for lawlessness and sexual licentiousness that it came to be known as the Whore of Babylon. Out of this reputation for debauchery grew an unusually rich discourse around prostitution. In *Berlin Coquette*, Jill Suzanne Smith shows how this discourse transcended the usual clichés about prostitutes and actually explored complex visions of alternative moralities or sexual countercultures including the New Morality articulated by feminist radicals, lesbian love, and the New Woman. Combining extensive archival research with close readings of a broad spectrum of texts and images from the late Wilhelmine and Weimar periods, Smith recovers a surprising array of productive discussions about extramarital sexuality, women's financial autonomy, and respectability. She highlights in particular the figure of the *cocotte* (*Kokotte*), a specific type of prostitute who capitalized on the illusion of respectable or upstanding womanhood and therefore confounded easy categorization. By exploring the semantic connections between the figure of the *cocotte* and the act of flirtation (of being *coquette*), Smith's work presents flirtation as a type of social interaction through which both prostitutes and non-prostitutes

in Imperial and Weimar Berlin could express extramarital sexual desire and agency.

Inside the American Couple Marilyn Yalom, Laura Carstensen, Estelle Freedman, Barbara Gulpi, 2023-11-10 One of the most fundamental human urges is to form a pair. Despite many tendencies that threaten traditional marriage and even make committed cohabitation problematic, very few people live through adulthood without at least one lengthy relationship, and up to ninety percent of Americans marry at least once in their lives. This pioneering volume draws attention to issues that question the unspoken traditional practices underlying coupling in America. In it, some of today's most innovative feminist scholars consider the dramatic changes couples have experienced over the past fifty years, such as the proliferation of divorce, the increase in ethnically-mixed relationships, the preponderance of older couples, and the new visibility of same-sex unions. Approaching their subject from a range of disciplines, the authors explore the couple as an enduring paradigm for human relationships, despite the changes in ideology and practice that couples have experienced over time. The essays delve into such subjects as the historical roots of modern marriage, the recent phenomenon of lesbian and gay commitment ceremonies, the home as a workplace and a place of refuge, and the stresses that turn a happy marriage into an unhappy one. One chapter explodes the myth that feminists are responsible for the high incidence of divorce, while another focuses on the financial worth of the wife after the demise of a long-standing marriage. Taken together, these essays impart a deep and complex picture of the challenges facing couples in our time. The vital and engaging narratives show that however anxious our society may be in the face of dissolving marriages and dysfunctional families, couples will continue to form the bedrock of American society in the twenty-first century.

Victorian Literature and the Victorian Visual Imagination Carol T. Christ, John O. Jordan, 2024-03-29 Nineteenth-century British culture frequently represented the eye as the preeminent organ of truth. These essays explore the relationship between the verbal and the visual in the Victorian imagination. They range broadly over topics that include the relationship of optical devices to the visual imagination, the role of photography in changing the conception of evidence and truth, the changing partnership between illustrator and novelist, and the ways in which literary texts represent the visual. Together they begin to construct a history of seeing in the Victorian period. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology.
