

# The Russian Revolution 1917 1932 Sheila Fitzpatrick

**Mark Edele**

*The Russian Revolution* Sheila Fitzpatrick, 2017-09-29 The Russian Revolution had a decisive impact on the history of the twentieth century. In the years following the collapse of the Soviet regime and the opening of its archives, it has become possible to step back and see the full picture. Starting with an overview of the roots of the revolution, Fitzpatrick takes the story from 1917, through Stalin's 'revolution from above', to the great purges of the 1930s. She tells a gripping story of a Marxist revolution that was intended to transform the world, visited enormous suffering on the Russian people, and, like the French Revolution before it, ended up by devouring its own children. This updated edition contains a fully revised bibliography and updated introduction to address the centenary, what does it all mean in retrospect.

*The Russian Revolution* Sheila Fitzpatrick, 2001 The Russian Revolution had a decisive impact on the history of the twentieth century. Now, following the collapse of the Soviet regime and the opening of its archives, it is possible to step back and see the full picture. In this classic work, the author incorporates data from archives that were previously inaccessible not only to Western but also to Soviet historians, as well as drawing on important recent Russian publications such as the memoirs of one of the great survivors of Soviet politics, Vyacheslav Molotov. Impeccable in its scholarship and objectivity, the book tells a gripping story of a Marxist revolution that was intended to transform the world, visited enormous suffering on the Russian people, and, like the French Revolution before it, ended up by devouring its own children. In a concluding section that will be of great interest to scholars in the field as well as the general reader, the author treats the Stalinist Great Purges as the last act of the drama of the Russian Revolution.

Everyday Stalinism Sheila Fitzpatrick, 1999-03-04 Here is a pioneering account of everyday life under Stalin, written by a leading authority on modern Russian history. Focusing on the urban population, Fitzpatrick depicts a world of privation, overcrowding, endless lines, and broken homes, in which the regime's promises of future socialist abundance rang hollowly. We read of a government bureaucracy that often turned life into a nightmare, and of how ordinary citizens tried to circumvent it. We also read of the secret police, whose constant surveillance was endemic at this time, and the waves of terror, like the Great Purges of 1937, which periodically cast society into turmoil.

Tear Off the Masks! Sheila Fitzpatrick, 2005-07-25 When revolutions happen, they change the rules of everyday life--both the codified rules concerning the social and legal classifications of citizens and the unwritten rules about how individuals

present themselves to others. This occurred in Russia after the Bolshevik Revolution of 1917, which laid the foundations of the Soviet state, and again in 1991, when that state collapsed. *Tear Off the Masks!* is about the remaking of identities in these times of upheaval. Sheila Fitzpatrick here brings together in a single volume years of distinguished work on how individuals literally constructed their autobiographies, defended them under challenge, attempted to edit the file-selves created by bureaucratic identity documentation, and denounced others for masking their true social identities. Marxist class-identity labels--worker, peasant, intelligentsia, bourgeois--were of crucial importance to the Soviet state in the 1920s and 1930s, but it turned out that the determination of a person's class was much more complicated than anyone expected. This in turn left considerable scope for individual creativity and manipulation. Outright imposters, both criminal and political, also make their appearance in this book. The final chapter describes how, after decades of struggle to construct good Soviet socialist personae, Russians had to struggle to make themselves fit for the new, post-Soviet world in the 1990s--by de-Sovietizing themselves. Engaging in style and replete with colorful detail and characters drawn from a wealth of sources, *Tear Off the Masks!* offers unique insight into the elusive forms of self-presentation, masking, and unmasking that made up Soviet citizenship and continue to resonate in the post-Soviet world.

**The Russian Revolution** Sheila Fitzpatrick, 1984 Now in a new edition, this provocative, highly readable work presents a fascinating look at events that culminated in the Russian Revolution. Focusing on the Revolution in its widest sense, Sheila Fitzpatrick covers not only the events of 1917 and what preceded them, but the social transformations brought about by the Bolsheviks.

*A Companion to the Russian Revolution* Daniel Orlovsky, 2020-10-19 A compendium of original essays and contemporary viewpoints on the 1917 Revolution The Russian revolution of 1917 reverberated throughout an empire that covered one-sixth of the world. It altered the geo-political landscape of not only Eurasia, but of the entire globe. The impact of this immense event is still felt in the present day. The historiography of the last two decades has challenged conceptions of the 1917 revolution as a monolithic entity—the causes and meanings of revolution are many, as is reflected in contemporary scholarship on the subject. *A Companion to the Russian Revolution* offers more than thirty original essays, written by a team of respected scholars and historians of 20th century Russian history. Presenting a wide range of contemporary perspectives, the *Companion* discusses topics including the dynamics of violence in war and revolution, Russian political parties, the transformation of the Orthodox church, Bolshevism, Liberalism, and more. Although primarily focused on 1917 itself, and the singular Revolutionary experience in that year, this book also explores time-periods such as the First Russian Revolution, early Soviet government, the Civil War period, and even into the 1920's. Presents a wide range of original essays that discuss Brings together in-depth coverage of political history, party history, cultural history, and new social approaches Explores the long-range causes, influence on early Soviet culture, and global after-life of the Russian Revolution Offers broadly-conceived,

contemporary views of the revolution largely based on the author's original research Links Russian revolutions to Russian Civil Wars as concepts A Companion to the Russian Revolution is an important addition to modern scholarship on the subject, and a valuable resource for those interested in Russian, Late Imperial, or Soviet history as well as anyone interested in Revolution as a global phenomenon.

**The Firebird and the Fox** Jeffrey Brooks, 2019-10-24 A century of Russian artistic genius, including literature, art, music and dance, within the dynamic cultural ecosystem that shaped it.

*Education and Social Mobility in the Soviet Union 1921-1934* Sheila Fitzpatrick, 1979-09-20 A history of Soviet education policy 1921-34, this is a sequel to the author's highly praised Commissariat of Enlightenment.

**Stalinism** Sheila Fitzpatrick, 2000 First Published in 1999. Routledge is an imprint of Taylor & Francis, an informa company.

**On Stalin's Team** Sheila Fitzpatrick, 2015-09-15 The first chronicle of Stalin's inner political and social circle—from a leading Soviet historian Stalin was the unchallenged dictator of the Soviet Union for so long that most historians have dismissed the officials surrounding him as mere yes-men and political window dressing. On Stalin's Team overturns this view, revealing that behind Stalin was a group of loyal men who formed a remarkably effective team with him from the late 1920s until his death in 1953. Drawing on extensive original research, Sheila Fitzpatrick provides the first in-depth account of this inner circle and their families. She vividly describes how these dedicated comrades-in-arms not only worked closely with Stalin, but also constituted his social circle. Stalin's team included the wily security chief Beria; Andreev, who traveled to provincial purges while listening to Beethoven on a portable gramophone; and Khrushchev, who finally disbanded the team four years after Stalin's death. Taking readers from the cataclysms of the Great Purges and World War II to the paranoia of Stalin's final years, On Stalin's Team paints an entirely new picture of Stalin within his milieu—one that transforms our understanding of how the Soviet Union was ruled during much of its existence.

**The Russian Revolution in Retreat, 1920-24** Simon Pirani, 2008-03-03 The Russian revolution of 1917 was a defining event of the twentieth century, and its achievements and failures remain controversial in the twenty-first. This book focuses on the retreat from the revolution's aims in 1920-24, after the civil war and at the start of the New Economic Policy – and specifically, on the turbulent relationship between the working class and the Communist Party in those years. It is based on extensive original research of the actions and reactions of the party leadership and ranks, of dissidents and members of other parties, and of trade union activists and ordinary factory workers. It discusses working-class collective action before, during and after the crisis of 1921, when the Bolsheviks were confronted by the revolt at the Kronshtadt naval base and other protest movements. This book argues that the working class was politically expropriated by the Bolshevik party, as democratic bodies such as soviets and factory committees were deprived of decision-making power; it examines how the new

Soviet ruling class began to take shape. It shows how some worker activists concluded that the principles of 1917 had been betrayed, while others accepted a social contract, under which workers were assured of improvements in living standards in exchange for increased labour discipline and productivity, and a surrender of political power to the party.

Life and Terror in Stalin's Russia, 1934-1941 Robert W. Thurston, 1998-11-10 Examining Stalin's reign of terror, this text argues that the Soviet people were not simply victims but also actors in the violence, criticisms and local decisions of the 1930s. It suggests that more believed in Stalin's quest to eliminate internal enemies than were frightened by it.

*Debates on Stalinism* Mark Edele, 2020-05-25 *Debates on Stalinism* introduces major debates about Stalinism during and after the Cold War. It introduces major debates and major historians of the Soviet Union during the brutal reign of Stalin. Readers will better understand not only the history of our current understanding of Stalinism but also contemporary debates in Russia and Ukraine.

**In the Shadow of Revolution** Sheila Fitzpatrick, Yuri Slezkine, 2018-06-26 Asked shortly after the revolution about how she viewed the new government, Tatiana Varsher replied, With the wide-open eyes of a historian. Her countrywoman, Zinaida Zhemchuzhnaia, expressed a similar need to take note: I want to write about the way those events were perceived and reflected in the humble and distant corner of Russia that was the Cossack town of Korenovskaia. What these women witnessed and experienced, and what they were moved to describe, is part of the extraordinary portrait of life in revolutionary Russia presented in this book. A collection of life stories of Russian women in the first half of the twentieth century, *In the Shadow of Revolution* brings together the testimony of Soviet citizens and émigrés, intellectuals of aristocratic birth and Soviet milkmaids, housewives and engineers, Bolshevik activists and dedicated opponents of the Soviet regime. In literary memoirs, oral interviews, personal dossiers, public speeches, and letters to the editor, these women document their diverse experience of the upheavals that reshaped Russia in the first half of this century. As is characteristic of twentieth-century Russian women's autobiographies, these life stories take their structure not so much from private events like childbirth or marriage as from great public events. Accordingly the collection is structured around the events these women see as touchstones: the Revolution of 1917 and the Civil War of 1918-20; the switch to the New Economic Policy in the 1920s and collectivization; and the Stalinist society of the 1930s, including the Great Terror. Edited by two preeminent historians of Russia and the Soviet Union, the volume includes introductions that investigate the social historical context of these women's lives as well as the structure of their autobiographical narratives.

**The Russian Revolutions of 1917** Kari Aga Myklebost, Jens Petter Nielsen, Andrei Rogatchevski, 2020-04-14 The year 2017 saw a multitude of conferences and exhibitions devoted to the centenary of the Russian Revolutions, both in Russia and in other parts of the world. The commemoration of this event would be incomplete without an exploration of its Northern dimension; in October 2017, UiT The Arctic University of Norway hosted the conference *The Russian Revolutions of 1917*:

The Northern Impact and Beyond. Norway and Russia are both northern states, and the two countries have a common border in the High North. Some articles in this volume, based on the conference proceedings, investigate the impact of the Russian Revolution in Norway and Sweden, while others deal with the High North, e.g. the Revolution and Civil War in Northern Russia and the radicalization of the workers' movement of Northern Norway; some are also devoted to representations of the Russian Revolution at exhibitions and on the big screen.

Stalin's Peasants Sheila Fitzpatrick, 1994 Drawing on Soviet archives, especially the letters of complaint with which peasants deluged the Soviet authorities in the 1930s, this work analyzes peasants' strategies of resistance and survival in the new world of the collectivized village

*The Cultural Front* Sheila Fitzpatrick, 2018-08-06 When Lenin asked, Who will beat whom? (Kto kogo?), he had no plan to wage revolutionary class war in culture. Many young Communists thought differently, however. Seeking in the name of the proletariat to wrest cultural hegemony from the intelligentsia, they turned culture into a battlefield in the 1920s. But was this, as Communist militants thought, a genuine class struggle between proletarian Communists and the bourgeois intelligentsia? Or was it, as the intelligentsia believed, an onslaught by the ruling Communist Party on the eternal principles of cultural autonomy and intellectual freedom? In this volume, one of the foremost historians of the Soviet Union chronicles the fierce battle on the cultural front from the October Revolution through the Stalinist 1930s. Sheila Fitzpatrick brings together ten of her essays—two previously unpublished and all revised for inclusion here—which illuminate key arenas of the prolonged struggle over cultural values and institutional control. Individual essays deal with such major issues as the Cultural Revolution, the formation of the new Stalinist elite, and socialist realism, as well as recounting colorful episodes including the uproar over Shostakovich's opera *Lady Macbeth of the Mtsensk District*, arguments over sexual mores, and the new consumerism of the 1930s. Closely examining the cultural elites and orthodoxies that developed under Stalin, Fitzpatrick offers a provocative reinterpretation of the struggle's final outcome in which the intelligentsia, despite its loss of autonomy and the debasement of its culture, emerged as a partial victor. *The Cultural Front* is essential reading for anyone interested in the formative history of the Soviet Union and the dynamic relationship between culture and politics.

**Russia Washed in Blood** Artyom Vesoly, 2020-08-03 *Russia Washed in Blood*, first published in full in 1932, is the longest and best-known work by Nikolai Kochukov (1899-1938), who wrote under the pen-name Artyom Vesoly. The novel, more a series of extended episodes than a connected narrative with a plot and a hero, is a vivid fictionalised account of the events from the viewpoint of the ordinary soldier. The title of the novel came to symbolise the tragic history of Russia in the 20th century. Born in Samara, on the banks of the Volga, the son of a waterside worker, Artyom Vesoly was the first member of his family to learn to read and write. He took part in the Civil War of 1918-1921 on the Red side, and at its conclusion began a prolific literary career. Vesoly took as his main theme the horrific events he had witnessed and

participated in during the fierce fighting in Southern Russia between the contending forces – Red, White, Cossack, anarchist and others – and the effects of these on the participants and unfortunate civilians caught between them.

**Ten Days that Shook the World** John Reed, 2006-09-08 An account of the November revolution in Russia. Most of it deals with Red Petrograd.

**White Russians, Red Peril** Sheila Fitzpatrick, 2021-03-30 Over 20,000 ethnic Russians migrated to Australia after World War II – yet we know very little about their experiences. Some came via China, others from refugee camps in Europe. Many preferred to keep a low profile in Australia, and some attempted to ‘pass’ as Polish, West Ukrainian or Yugoslavian. They had good reason to do so: to the Soviet Union, Australia’s resettling of Russians amounted to the theft of its citizens, and undercover agents were deployed to persuade them to repatriate. Australia regarded the newcomers with wary suspicion, even as it sought to build its population by opening its door to more immigrants. Making extensive use of newly discovered Russian-language archives and drawing on a lifetime’s study of Soviet history and politics, award-winning author Sheila Fitzpatrick examines the early years of a diverse and disunited Russian-Australian community and how Australian and Soviet intelligence agencies attempted to track and influence them. While anti-Communist ‘White’ Russians dreamed a war of liberation would overthrow the Soviet regime, a dissident minority admired its achievements and thought of returning home.

Recognizing the habit ways to acquire this book **The Russian Revolution 1917 1932 Sheila Fitzpatrick** is additionally useful. You have remained in right site to begin getting this info. acquire the The Russian Revolution 1917 1932 Sheila Fitzpatrick member that we pay for here and check out the link.

## The Russian Revolution 1917 1932 Sheila Fitzpatrick Introduction

The Russian Revolution 1917 1932 Sheila Fitzpatrick Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. The Russian Revolution 1917 1932 Sheila Fitzpatrick Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. The Russian Revolution 1917 1932 Sheila Fitzpatrick : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for The Russian Revolution 1917 1932 Sheila Fitzpatrick : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks The Russian Revolution 1917 1932 Sheila Fitzpatrick Offers a diverse range of free eBooks across various genres. The Russian Revolution 1917 1932 Sheila Fitzpatrick Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. The Russian Revolution 1917 1932 Sheila Fitzpatrick Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific The Russian Revolution 1917 1932 Sheila Fitzpatrick , especially related to The Russian Revolution 1917 1932 Sheila Fitzpatrick , might be challenging as

they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to The Russian Revolution 1917 1932 Sheila Fitzpatrick, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some The Russian Revolution 1917 1932 Sheila Fitzpatrick books or magazines might include. Look for these in online stores or libraries. Remember that while The Russian Revolution 1917 1932 Sheila Fitzpatrick, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow The Russian Revolution 1917 1932 Sheila Fitzpatrick eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Russian Revolution 1917 1932 Sheila Fitzpatrick full book, it can give you a taste of the author's writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Russian Revolution 1917 1932 Sheila Fitzpatrick eBooks, including some popular titles.

## **FAQs About The Russian Revolution 1917 1932 Sheila Fitzpatrick Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Russian Revolution 1917 1932 Sheila Fitzpatrick is one of the best books in our library for free trial. We provide copy of The Russian Revolution 1917 1932 Sheila Fitzpatrick in digital format, so the resources that you find are reliable. There are also many eBooks of related with The Russian Revolution 1917 1932 Sheila Fitzpatrick. Where to download The Russian Revolution 1917 1932 Sheila Fitzpatrick online for free? Are you looking for The Russian Revolution 1917 1932 Sheila Fitzpatrick PDF? This is

definitely going to save you time and cash in something you should think about.
