

# The Russian Revolution 1917 1932 Sheila Fitzpatrick

## Vladimir Sharov

**The Russian Revolution** Sheila Fitzpatrick, 1982 Now in a new edition, this provocative, highly readable work presents a fascinating look at events that culminated in the Russian Revolution. Focusing on the Revolution in its widest sense, Sheila Fitzpatrick covers not only the events of 1917 and what preceded them, but the social transformations brought about by the Bolsheviks.

**Education and Social Mobility in the Soviet Union 1921-1934** Sheila Fitzpatrick, 2002-05-16 A history of Soviet education policy 1921-34, this is a sequel to the author's highly praised Commissariat of Enlightenment.

Everyday Stalinism Sheila Fitzpatrick, 1999-03-04 Focusing on urban areas in the 1930s, this college professor illuminates the ways that Soviet city-dwellers coped with this world, examining such diverse activities as shopping, landing a job, and other acts.

*Tear Off the Masks!* Sheila Fitzpatrick, 2005-07-25 When revolutions happen, they change the rules of everyday life--both the codified rules concerning the social and legal classifications of citizens and the unwritten rules about how individuals present themselves to others. This occurred in Russia after the Bolshevik Revolution of 1917, which laid the foundations of the Soviet state, and again in 1991, when that state collapsed. *Tear Off the Masks!* is about the remaking of identities in these times of upheaval. Sheila Fitzpatrick here brings together in a single volume years of distinguished work on how individuals literally constructed their autobiographies, defended them under challenge, attempted to edit the file-selves created by bureaucratic identity documentation, and denounced others for masking their true social identities. Marxist class-identity labels--worker, peasant, intelligentsia, bourgeois--were of crucial importance to the Soviet state in the 1920s and 1930s, but it turned out that the determination of a person's class was much more complicated than anyone expected. This in turn left considerable scope for individual creativity and manipulation. Outright imposters, both criminal and political, also make their appearance in this book. The final chapter describes how, after decades of struggle to construct good Soviet socialist personae, Russians had to struggle to make themselves fit for the new, post-Soviet world in the 1990s--by de-Sovietizing themselves. Engaging in style and replete with colorful detail and characters drawn from a wealth of sources, *Tear Off the Masks!* offers unique insight into the elusive forms of self-presentation, masking, and unmasking that made up Soviet citizenship and continue to resonate in the post-Soviet world.

*A Companion to the Russian Revolution* Daniel Orlovsky, 2020-10-19 A compendium of original essays and contemporary viewpoints on the 1917 Revolution The Russian revolution of 1917 reverberated throughout an empire that covered one-sixth of the world. It altered the geo-political landscape of not only Eurasia, but of the entire globe. The impact of this immense event is still felt in the present day. The historiography of the last two decades has challenged conceptions of the 1917 revolution as a monolithic entity— the causes and meanings of revolution are many, as is reflected in contemporary scholarship on the subject. *A Companion to the Russian Revolution* offers more than thirty original essays, written by a team of respected scholars and historians of 20th century Russian history. Presenting a wide range of contemporary perspectives, the Companion discusses topics including the dynamics of violence in war and revolution, Russian political parties, the transformation of the Orthodox church, Bolshevism, Liberalism, and more. Although primarily focused on 1917 itself, and the singular Revolutionary experience in that year, this book also explores time-periods such as the First Russian Revolution, early Soviet government, the Civil War period, and even into the 1920's. Presents a wide range of original essays that discuss Brings together in-depth coverage of political history, party history, cultural history, and new social approaches Explores the long-range causes, influence on early Soviet culture, and global after-life of the Russian Revolution Offers broadly-conceived, contemporary views of the revolution largely based on the author's original research Links Russian revolutions to Russian Civil Wars as concepts *A Companion to the Russian Revolution* is an important addition to modern scholarship on the subject, and a valuable resource for those interested in Russian, Late Imperial, or Soviet history as well as anyone interested in Revolution as a global phenomenon.

**History of the Russian Revolution** Leon Trotsky, 2008 During the first two months of 1917 Russia was still a Romanov monarchy. Eight months later the Bolsheviks stood at the helm. They were little known to anybody when the year began, and their leaders were still under indictment for state treason when they came to power. You will not find another such sharp turn in history especially if you remember that it involves a nation of 150 million people. It is clear that the events of 1917, whatever you think of them, deserve study. --Leon Trotsky, from *History of the Russian Revolution* Regarded by many as among the most powerful works of history ever written, this book offers an unparalleled account of one of the most pivotal and hotly debated events in world history. This book reveals, from the perspective of one of its central actors, the Russian Revolution's profoundly democratic, emancipatory character. Originally published in three parts, Trotsky's masterpiece is collected here in a single volume. It serves as the most vital and inspiring record of the Russian Revolution to date. [T]he greatest history of an event that I know. --C. L. R. James Justly celebrated as a towering, vivid, historically vital work. --China Miéville, *October In Trotsky* all passions were aroused, but his thought remained calm and his vision clear.... His involvement in the struggle, far from blurring his sight, sharpens it.... The *History* is his crowning work, both in scale and power and as the fullest expression of his ideas on revolution. As an account of a revolution, given by one of its chief actors, it stands

unique in world literature. --Isaac Deutscher

**The Firebird and the Fox** Jeffrey Brooks,2019-10-24 A century of Russian artistic genius, including literature, art, music and dance, within the dynamic cultural ecosystem that shaped it.

**Debates on Stalinism** Mark Edle,2020-06-11 Debates on Stalinism introduces major debates about Stalinism during and after the Cold War. Did 'Stalinism' form a system in its own right or was it a mere stage in the overall development of Soviet society? Was it an aberration from Leninism or the logical conclusion of Marxism? Was its violence the revenge of the Russian past or the result of a revolutionary mindset? Was Stalinism the work of a madman or the product of social forces beyond his control? The book shows the complexities of historiographical debates, where evidence, politics, personality, and biography are strongly entangled. Debates on Stalinism allows readers to better understand not only the history of history writing, but also contemporary controversies and conflicts in the successor states of the Soviet Union, in particular Russia and Ukraine.

*The Russian Revolution, 1917-1932* Sheila Fitzpatrick,1982

**Stalinism** Sheila Fitzpatrick,2000 First Published in 1999. Routledge is an imprint of Taylor & Francis, an informa company.

*A Social History of Soviet Trade* Julie Hessler,2020-10-06 In this sweeping study, Julie Hessler traces the invention and evolution of socialist trade, the progressive constriction of private trade, and the development of consumer habits from the 1917 revolution to Stalin's death in 1953. The book places trade and consumption in the context of debilitating economic crises. Although Soviet leaders, and above all, Stalin, identified socialism with the modernization of retailing and the elimination of most private transactions, these goals conflicted with the economic dynamics that produced shortages and with the government's bureaucratic, repressive, and socially discriminatory political culture. *A Social History of Soviet Trade* explores the relationship of trade--official and unofficial--to the cyclical pattern of crisis and normalization that resulted from these tensions. It also provides a singularly detailed look at private shops during the years of the New Economic Policy, and at the remnants of private trade, mostly concentrated at the outdoor bazaars, in subsequent years. Drawing on newly opened archives in Moscow and several provinces, this richly documented work offers a new perspective on the social, economic, and political history of the formative decades of the USSR.

**The Russian Revolution in Retreat, 1920-24** Simon Pirani,2008-03-03 The Russian revolution of 1917 was a defining event of the twentieth century, and its achievements and failures remain controversial in the twenty-first. This book focuses on the retreat from the revolution's aims in 1920-24, after the civil war and at the start of the New Economic Policy - and specifically, on the turbulent relationship between the working class and the Communist Party in those years. It is based on extensive original research of the actions and reactions of the party leadership and ranks, of dissidents and members of other

parties, and of trade union activists and ordinary factory workers. It discusses working-class collective action before, during and after the crisis of 1921, when the Bolsheviks were confronted by the revolt at the Kronstadt naval base and other protest movements. This book argues that the working class was politically expropriated by the Bolshevik party, as democratic bodies such as soviets and factory committees were deprived of decision-making power; it examines how the new Soviet ruling class began to take shape. It shows how some worker activists concluded that the principles of 1917 had been betrayed, while others accepted a social contract, under which workers were assured of improvements in living standards in exchange for increased labour discipline and productivity, and a surrender of political power to the party.

**The Russian Revolution** Sean McMeekin, 2017-05-30 A “powerful revisionist history” (Times UK) illuminating the tensions and transformations of the Russian Revolution In *The Russian Revolution*, acclaimed historian Sean McMeekin traces the events which ended Romanov rule, ushered the Bolsheviks into power, and introduced Communism to the world. Between 1917 and 1922, Russia underwent a complete and irreversible transformation. Taking advantage of the collapse of the Tsarist regime in the middle of World War I, the Bolsheviks staged a hostile takeover of the Russian Imperial Army, promoting mutinies and mass desertions of men in order to fulfill Lenin's program of turning the imperialist war into civil war. By the time the Bolsheviks had snuffed out the last resistance five years later, over 20 million people had died, and the Russian economy had collapsed so completely that Communism had to be temporarily abandoned. Still, Bolshevik rule was secure, owing to the new regime's monopoly on force, enabled by illicit arms deals signed with capitalist neighbors such as Germany and Sweden who sought to benefit politically and economically from the revolutionary chaos in Russia. Drawing on scores of previously untapped files from Russian archives and a range of other repositories in Europe, Turkey, and the United States, McMeekin delivers exciting, groundbreaking research about this turbulent era. The first comprehensive history of these momentous events in two decades, *The Russian Revolution* combines cutting-edge scholarship and a fast-paced narrative to shed new light on one of the most significant turning points of the twentieth century.

*Russia Washed in Blood* Artyom Vesoly, 2020-08-03 *Russia Washed in Blood*, first published in full in 1932, is the longest and best-known work by Nikolai Kochukov (1899-1938), who wrote under the pen-name Artyom Vesoly. The novel, more a series of extended episodes than a connected narrative with a plot and a hero, is a vivid fictionalised account of the events from the viewpoint of the ordinary soldier. The title of the novel came to symbolise the tragic history of Russia in the 20th century. Born in Samara, on the banks of the Volga, the son of a waterside worker, Artyom Vesoly was the first member of his family to learn to read and write. He took part in the Civil War of 1918-1921 on the Red side, and at its conclusion began a prolific literary career. Vesoly took as his main theme the horrific events he had witnessed and participated in during the fierce fighting in Southern Russia between the contending forces - Red, White, Cossack, anarchist and others - and the effects of these on the participants and unfortunate civilians caught between them.

The Rehearsals Vladimir Sharov, 2018-05-10 New Jerusalem Monastery, seventeenth-century Moscow. Patriarch Nikon has instructed an itinerant French dramatist to stage the New Testament and hasten the Second Coming. But this will be a strange form of theatre. The actors are untrained, illiterate Russian peasants, and nobody is allowed to play Christ. They are persecuted, arrested, displaced, and ultimately replaced by their own children. Yet the rehearsals continue... A stunning reflection on art, history, religion and national identity, *Rehearsals* is the seminal work in the unique oeuvre of Vladimir Sharov, Russian Booker Prize winner (2014) and author of *Before & During* (Read Russia award for best translation, 2015). 'The clarity and directness of Sharov's prose - wonderfully rendered by Oliver Ready - are disconcerting, almost hallucinatory. His writing is at times funny, at times so piercingly moving, so brimful of unassuaged sorrow, that it causes a double-take. How did I get here? is a question his reader will likely ask again and again.' Rachel Polonsky, *New York Review of Books* '... the reader is rewarded with an unforgettable experience. Not because Vladimir Sharov forsakes the intellectual heft of these early pages, but because he finds a more accessible vehicle for his profound thinking in an intriguing premiss.' Jamie Rann in the *Times Literary Supplement*

*In the Shadow of Revolution* Sheila Fitzpatrick, Yuri Slezkine, 2018-06-26 Asked shortly after the revolution about how she viewed the new government, Tatiana Varsher replied, With the wide-open eyes of a historian. Her countrywoman, Zinaida Zhemchuzhnaia, expressed a similar need to take note: I want to write about the way those events were perceived and reflected in the humble and distant corner of Russia that was the Cossack town of Korenovskaia. What these women witnessed and experienced, and what they were moved to describe, is part of the extraordinary portrait of life in revolutionary Russia presented in this book. A collection of life stories of Russian women in the first half of the twentieth century, *In the Shadow of Revolution* brings together the testimony of Soviet citizens and émigrés, intellectuals of aristocratic birth and Soviet milkmaids, housewives and engineers, Bolshevik activists and dedicated opponents of the Soviet regime. In literary memoirs, oral interviews, personal dossiers, public speeches, and letters to the editor, these women document their diverse experience of the upheavals that reshaped Russia in the first half of this century. As is characteristic of twentieth-century Russian women's autobiographies, these life stories take their structure not so much from private events like childbirth or marriage as from great public events. Accordingly the collection is structured around the events these women see as touchstones: the Revolution of 1917 and the Civil War of 1918-20; the switch to the New Economic Policy in the 1920s and collectivization; and the Stalinist society of the 1930s, including the Great Terror. Edited by two preeminent historians of Russia and the Soviet Union, the volume includes introductions that investigate the social historical context of these women's lives as well as the structure of their autobiographical narratives.

Stalin's Peasants Sheila Fitzpatrick, 1994 Drawing on Soviet archives, especially the letters of complaint with which peasants deluged the Soviet authorities in the 1930s, this work analyzes peasants' strategies of resistance and survival in the

new world of the collectivized village

Nationalism, Myth, and the State in Russia and Serbia Veljko Vujačić,2015-03-26 This book examines the role of Russian and Serbian nationalism in dissolution of the Soviet Union and Yugoslavia in 1991.

*Ten Days that Shook the World* John Reed,2009-01-01 Ten Days that Shook the World is a first-hand account of Russia's October Revolution of 1917. Written in 1919 by the American journalist and socialist John Reed, it follows many of the prominent Bolshevik leaders of this time. Reed died the year after his book was finished and was buried in Moscow's Kremlin Wall Necropolis - one of the few Americans accorded this honor usually reserved for the Soviet's most prominent leaders.

**The Cultural Front** Sheila Fitzpatrick,2018-08-06 When Lenin asked, Who will beat whom? (Kto kogo?), he had no plan to wage revolutionary class war in culture. Many young Communists thought differently, however. Seeking in the name of the proletariat to wrest cultural hegemony from the intelligentsia, they turned culture into a battlefield in the 1920s. But was this, as Communist militants thought, a genuine class struggle between proletarian Communists and the bourgeois intelligentsia? Or was it, as the intelligentsia believed, an onslaught by the ruling Communist Party on the eternal principles of cultural autonomy and intellectual freedom? In this volume, one of the foremost historians of the Soviet Union chronicles the fierce battle on the cultural front from the October Revolution through the Stalinist 1930s. Sheila Fitzpatrick brings together ten of her essays—two previously unpublished and all revised for inclusion here—which illuminate key arenas of the prolonged struggle over cultural values and institutional control. Individual essays deal with such major issues as the Cultural Revolution, the formation of the new Stalinist elite, and socialist realism, as well as recounting colorful episodes including the uproar over Shostakovich's opera *Lady Macbeth of the Mtsensk District*, arguments over sexual mores, and the new consumerism of the 1930s. Closely examining the cultural elites and orthodoxies that developed under Stalin, Fitzpatrick offers a provocative reinterpretation of the struggle's final outcome in which the intelligentsia, despite its loss of autonomy and the debasement of its culture, emerged as a partial victor. The Cultural Front is essential reading for anyone interested in the formative history of the Soviet Union and the dynamic relationship between culture and politics.

Thank you certainly much for downloading **The Russian Revolution 1917 1932 Sheila Fitzpatrick** .Maybe you have knowledge that, people have see numerous period for their favorite books following this The Russian Revolution 1917 1932 Sheila Fitzpatrick , but end happening in harmful downloads.

Rather than enjoying a fine book later than a mug of coffee in the afternoon, on the other hand they juggled in the manner of some harmful virus inside their computer. **The Russian Revolution 1917 1932 Sheila Fitzpatrick** is welcoming in our

digital library an online entry to it is set as public hence you can download it instantly. ### **The Russian Revolution 1917 1932 Sheila Fitzpatrick Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg.

This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Russian Revolution 1917 1932 Sheila Fitzpatrick free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Russian Revolution 1917 1932 Sheila Fitzpatrick free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless

reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Russian Revolution 1917 1932 Sheila Fitzpatrick free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The Russian Revolution 1917 1932 Sheila Fitzpatrick. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Russian Revolution 1917 1932 Sheila Fitzpatrick any PDF files. With these platforms, the world of PDF downloads is just a click away.

## FAQs About The Russian Revolution 1917 1932 Sheila Fitzpatrick Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Russian Revolution 1917 1932 Sheila Fitzpatrick is one of the best book in our library for free trial. We provide copy of The Russian Revolution 1917 1932 Sheila Fitzpatrick in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Russian Revolution 1917 1932 Sheila Fitzpatrick . Where to download The Russian Revolution 1917 1932 Sheila Fitzpatrick online for free? Are you looking for The Russian Revolution 1917 1932 Sheila Fitzpatrick PDF? This is

definitely going to save you time and cash in something you should think about.
