

The Erasmus Reader

Denis R. Janz

The Erasmus Reader Erasmus Roterodamus, Erasmus, Desiderius, d. 1536, Érasme, Desiderius Erasmus, 1990-01-01 '... The Erasmus Reader extends this impact to the carrels and desks of beginning and advanced students of Renaissance and Reformation history.'

The Erasmus Reader Desiderius Erasmus, 1990

Erasmus and His Books Egbertus Van Gulik, 2016-06-26 What became of Erasmus' books? The most famous scholar of his day died in peaceful prosperity and in the company of celebrated and responsible friends. His zeal for useful books was insatiable. Indeed, he had taken care to insure that after his death they would pass to an appreciative noble owner, yet after his death their fate was unknown. *Erasmus and His Books* provides the most comprehensive evidence available about the books of Erasmus of Rotterdam – the books he owned and his attitude towards them, when and how he acquired them, how he housed, used, and cared for them, and how, from time to time, he disposed of them. Part 1 details the formation, growth, scope, and arrangement of Erasmus' library and opens the door to a new understanding of the more intimate side of his daily life as a scholar at home with his books, friends, publishers, and booksellers. Part 2 presents a carefully annotated catalogue, the *Versandliste*, of the more than 400 books in Erasmus' possession at one point. Drawing upon his command of bibliographical data and his extensive knowledge of Erasmus' correspondence and related records Egbertus van Gulik proposes as precise an identification of each of the titles as the evidence will allow. Van Gulik's insightful discoveries tell us what can be known of books in Erasmus' working library and how he used them and will be of interest to students of the northern Renaissance, the history of the book, and the history of learning.

Fatal Discord Michael Massing, 2018-02-27 The "riveting" story of Erasmus, Martin Luther, and the rivalry between the reformer and the dissident: "An impressive, powerful intellectual history." —Kirkus Reviews (starred review) At a time when Leonardo, Michelangelo, and Raphael were revolutionizing Western art and culture, Erasmus of Rotterdam was helping to transform Europe's intellectual and religious life, developing a new design for living for a continent rebelling against the hierarchical constraints of the Roman Church. When in 1516 he came out with a revised edition of the New Testament based on the original Greek, he was hailed as the prophet of a new enlightened age. Today, however, Erasmus is largely forgotten, and the reason can be summed up in two words: Martin Luther. As a young friar in remote Wittenberg, Luther was initially a

great admirer of Erasmus and his critique of the Catholic Church, but while Erasmus sought to reform that institution from within, Luther wanted a more radical transformation. Eventually, the differences between them flared into a bitter rivalry, with each trying to win over Europe to his vision. In *Fatal Discord*, Michael Massing seeks to restore Erasmus to his proper place in the Western tradition. The conflict between him and Luther, he argues, forms a fault line in Western thinking—the moment when two enduring schools of thought, Christian humanism and evangelical Christianity, took shape. A seasoned journalist who has reported from many countries, Massing here travels back to the early sixteenth century to recover a long-neglected chapter of Western intellectual life, in which the introduction of new ways of reading the Bible set loose social and cultural forces that helped shatter the millennial unity of Christendom and whose echoes can still be heard today in the cultural differences between America and Europe. “A sprawling narrative around the rift between the two men, laying out the sociological, political and economic factors that shaped both them and Europe’s responses to them.” —The New York Times

The Education of a Christian Prince Desiderius Erasmus, 1965

Erasmus and the Jews Shimon Markish, 1986-02 In the afterword (p. 144-154), Cohen argues against Markish's conclusions, stating that Erasmus's anti-Jewish expressions show that his anti-Judaism was frequently gratuitous and malicious. This theological anti-Judaism, which became part of European culture, was perhaps not recognized by Markish as he considers only the pogrom and the Jew-hatred of the mob as antisemitism.

The Adages of Erasmus Érasme, Desiderius Erasmus, Erasmus Roterodamus, William Watson Barker, 2001-01-01 This annotated selection of 116 proverbs, which includes all the longer essays, is based on the translation in the *Collected Works of Erasmus*.--BOOK JACKET.

Reformation Reader Denis R. Janz, Although deeply political, economic, and social, the European Reformations of the sixteenth century were at heart religious disputes over core Christian theological issues. Denis Janz's *A Reformation Reader* is unabashed in its generous selection of key theological and related texts from five distinct Reformation sites. Along with plenty on the late-medieval background, the Lutheran, Calvinist, Radical, English, and Catholic Reformations are all well-represented here. Janz's selection of more than 100 carefully edited primary documents captures the energy and moment of that tumultuous time. The new edition incorporates a dozen readings by and about women in the Reformation, adds a new chapter on Thomas Müntzer and the Peasants' War, and adds illuminating graphics.

The Portable Renaissance Reader James Bruce Ross, Mary Martin McLaughlin, 1977-08-25 Essential passages from the works of more than 100 fifteenth- and sixteenth-century thinkers and writers, including Erasmus, Cervantes, Boccaccio, Montaigne, Bodin, Dürer, Machiavelli, Guicciardini, Rabelais, Leonardo, Cellini, Copernicus, Galileo, Savonarola, Luther, and Calvin.

The Praise of Folly Desiderius Erasmus, 1887

Luther and Erasmus Ernest Gordon Rupp, Philip Saville Watson, 1969-01-01 This volume includes the texts of Erasmus's 1524 diatribe against Luther, *De Libero Arbitrio*, and Luther's violent counterattack, *De Servo Arbitrio*. E. Gordon Rupp and Philip Watson offer commentary on these texts as well. Long recognized for the quality of its translations, introductions, explanatory notes, and indexes, the Library of Christian Classics provides scholars and students with modern English translations of some of the most significant Christian theological texts in history. Through these works--each written prior to the end of the sixteenth century--contemporary readers are able to engage the ideas that have shaped Christian theology and the church through the centuries.

Praise of Folly Desiderius Erasmus, 2008 No Marketing Blurbs

Erasmus of the Low Countries James D. Tracy, 2023-11-15 Few historical figures have been more important in modeling the ideal of impartial critical scholarship than Erasmus of Rotterdam (1469-1536). Yet his critical scholarship, though beholden to no one, was not dispassionate. James Tracy shows how Erasmus the scholar sought through his writings to promote the moral and religious renewal of Christian society. Tracy finds the genesis of the humanist's notion of a Christian republic of pious and learned individuals in his Burgundian, or Low Countries, roots. Erasmus's vision of reform, Tracy argues, sprung from a humanist tradition focusing on the importance of teaching (*doctrina*), a tradition from which Erasmus departed in his optimism about human nature and his deep suspicion of the powers that be. Amid the storms of Reformation controversy, he pruned back the dissimulation by which he had thought to convey different meanings to different readers, yet in the end he could not control the way his words were read. If Erasmus's scholarly ideal carries an enduring fascination, so too does his dilemma as a man of circumspection who would also be a reformer. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1966.

Erasmus, Man of Letters Lisa Jardine, 2015-06-23 The name Erasmus of Rotterdam conjures up a golden age of scholarly integrity and the disinterested pursuit of knowledge, when learning could command public admiration without the need for authorial self-promotion. Lisa Jardine, however, shows that Erasmus self-consciously created his own reputation as the central figure of the European intellectual world. Erasmus himself—the historical as opposed to the figural individual—was a brilliant, maverick innovator, who achieved little formal academic recognition in his own lifetime. What Jardine offers here is not only a fascinating study of Erasmus but also a bold account of a key moment in Western history, a time when it first became possible to believe in the existence of something that could be designated European thought.

A Book Called in Latin *Enchiridion Militis Christiani*, and in English *The Manual of the Christian Knight*

Desiderius Erasmus,1905

Erasmus and the Age of Reformation Johan Huizinga,2014-07-14 Johan Huizinga had a special sympathy for the complex, withdrawn personality of Erasmus and for his advocacy of intellectual and spiritual balance in a quarrelsome age. This biography is a classic work on the sixteenth-century scholar/humanist. Originally published in 1984. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Biblical Humanism and Scholasticism in the Age of Erasmus Erika Rummel,2008 This handbook offers a new reading of the humanist-scholastic debate over biblical humanism, lending a voice to scholastic critics who have been unfairly neglected in the historical narrative. The investigations cover controversies beginning in quattrocento Italy and spreading north of the Alps in the 16th century.

Tudor Translations of the Colloquies of Erasmus (1536-1584) Desiderius Erasmus,1972 Late at night, Robert goes to the circus and finds a fabulous balloon machine, with which he creates unusual balloons.

Erasmus and His Times Desiderius Erasmus,1951-01-01 These letters to and from Erasmus introduce students to a lively form of Latin and an exciting period of history. The book includes biographical material, notes, and vocabulary.

Erasmus Nathan Ron,2021-07-27 This book is a sequel to Nathan Ron's Erasmus and the "Other." Should we consider Erasmus an involved or public intellectual alongside figures such as Machiavelli, Milton, Locke, Voltaire, and Montesquieu? Was Erasmus really an independent intellectual? In Ron's estimation, Erasmus did not fully live up to his professed principles of Christian peace. Despite the anti-war preaching so eminent in his writings, he made no stand against the warlike and expansionist foreign policies of specific European kings of his era, and even praised the glory won by Francis I on the battlefield of Marignano (1515). Furthermore, in the face of Henry VIII's execution of his beloved Thomas More and John Fisher, and the atrocities committed by the Spanish against indigenous peoples in the New World, Erasmus preferred self-censorship to expressions of protest or criticism and did not step forward to reproach kings of their misdeeds or crimes.

As recognized, adventure as competently as experience about lesson, amusement, as well as contract can be gotten by just checking out a ebook **The Erasmus Reader** along with it is not directly done, you could allow even more approaching this life, regarding the world.

We have the funds for you this proper as without difficulty as easy exaggeration to get those all. We pay for The Erasmus Reader and numerous book collections from fictions to scientific research in any way. accompanied by them is this The Erasmus Reader that can be your partner.
