The Storyteller's Secret Carmine Gallo, 2016-02-23 How did a Venice Beach T-shirt vendor become television's most

successful producer? How did an entrepreneur who started in a garage create the most iconic product launches in business history? How did a timid pastor's son overcome a paralyzing fear of public speaking to captivate sold-out crowds at Yankee Stadium, twice? How did a human rights attorney earn TED's longest standing ovation, and how did a Facebook executive launch a movement to encourage millions of women to lean in? They told brilliant stories. In *The Storyteller's Secret: From TED Speakers to Business Legends, Why Some Ideas Catch on and Others Don't*, keynote speaker, bestselling author, and communication expert Carmine Gallo reveals the keys to telling powerful stories that inspire, motivate, educate, build brands, launch movements, and change lives. The New York Times has called a well-told story a strategic tool with irresistible power - the proof lies in the success stories of 50 icons, leaders, and legends featured in *The Storyteller's Secret*: entrepreneurs like Richard Branson, Sara Blakely, Elon Musk, Steve Jobs, and Sheryl Sandberg; spellbinding speakers like Dr. Martin Luther King, Jr., Bryan Stevenson, and Malala Yousafzai; and business leaders behind famous brands such as Starbucks, Southwest Airlines, Wynn Resorts, Whole Foods, and Pixar. Whether your goal is to educate, fundraise, inspire teams, build an award-winning culture, or to deliver memorable presentations, a story is your most valuable asset and your competitive advantage. In *The Storyteller's Secret*, Gallo explains why the brain is hardwired to love stories - especially rags-to-riches stories - and how the latest science can help you craft a persuasive narrative that wins hearts and minds. The art of storytelling can be used to drive change, says billionaire entrepreneur Richard Branson. And since the next decade will see the most change our civilization has ever known, your story will radically transform your business, your life, and the lives of those you touch. Ideas that catch on are wrapped in story. Your story can change the world. Isn't it time you shared yours?

Perfect Phrases for Coaches Ralph L. Pim, 2009-08-22 GREAT PLAYS START WITH EVEN GREATER WORDS Effectively communicating key ideas can be all that separates victory from defeat *Perfect Phrases for Coaches* arms you with winning phrases for dealing with any team-on and off the field-without reverting to the same old clichés heard a million times. Whether it's the first day of practice or the final moments of the big game, regardless of the sport being played, every coach must address his or her team and staff clearly to get their attention and to get results. Author Ralph Pim covers the common situations experienced by all coaches-from motivation and discipline to preseason expectations, from skill development to handling pressure and dealing with parents. Ideal for any situation, *Perfect Phrases for Coaches* gives you the right words at the right time. *Perfect Phrases for Coaches* includes The must-have coaching characteristics you need to gain respect from your team Scripted conversations for a range of situations from discipline talks to banquet speeches A chapter called "Impact Words from A to Z"-compelling words that add power to what you are going to say to your team

Words That Work Dr. Frank Luntz, 2007-01-02 The nation's premier communications expert shares his wisdom on how the words we choose can change the course of business, of politics, and of life in this country In *Words That Work*, Luntz offers a behind-the-scenes look at how the tactical use of words and phrases affects what we buy, who we vote for, and even

what we believe in. With chapters like The Ten Rules of Successful Communication and The 21 Words and Phrases for the 21st Century, he examines how choosing the right words is essential. Nobody is in a better position to explain than Frank Luntz: He has used his knowledge of words to help more than two dozen Fortune 500 companies grow. He'll tell us why Rupert Murdoch's six-billion-dollar decision to buy DirectTV was smart because satellite was more cutting edge than digital cable, and why pharmaceutical companies transitioned their message from treatment to prevention and wellness. If you ever wanted to learn how to talk your way out of a traffic ticket or talk your way into a raise, this book's for you.

Intentional Leadership Jane A. G. Kise, 2014-09-23 Empowered by the knowledge that employees are influenced by their direct supervisor more than any other leader in a company, author Jane A. G. Kise advocates intentional leadership, a style of leading that focuses on how to lead, not just what to accomplish. Learn to concentrate on your strengths and manage your professional weaknesses. Benefits: Identify your priorities and consider how they relate to the essential work of leadership. Compare your own strengths and values to what is known about good leadership practices. Detect potential weaknesses that might become fatal flaws/limitations that bring leaders down. Learn to use your strengths and weaknesses to optimize your leadership style. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

30 Days to a More Powerful Business Vocabulary Dan Strutzel, 2020-09-30 "...A LEARNING EXPERIENCE THAT CAN CHANGE YOUR LIFE FOREVER." -BRIAN TRACY The author of the best-selling 30 Days to a More Powerful Vocabulary, Dan Strutzel, now puts his focus on communicating successfully in the business world! Business is just like any sector or topic, with its own language, customs, codes, and terminologies. Different aspects of business can have their own distinctive terminology, which can also overlap. In 30 Days to a More Powerful Business Vocabulary, Dan presents over 500 words and short expressions from a variety of different business categories. Each section introduces approximately 25 words. Each of the words are initially presented in a story or conversation, so you can experience the correct context in which the words are used. Dan then discusses each word or phrase and its definition. Finally, he reinforces the word and its meaning with another example in a sentence. And of course, Dan has you make all of the words a part of your permanent vocabulary by using his "30-day learning program" based on well-known super-learning principles. There are four sections on banking and finance, four on marketing, and four on negotiation. Other sections focus on sales, entrepreneurship, human resources, e-business, leadership, and an all-new section on remote learning! The book's intention is to be entertaining, informative, and inspiring.

As the world changes, language changes with it—and both are changing very fast. With 30 Days to a More Powerful Business Vocabulary, you'll keep pace with those changes and watch your career benefit as a result!

EMPOWERED Marty Cagan,2020-12-03 Great teams are comprised of ordinary people that are empowered and inspired. They are empowered to solve hard problems in ways their customers love yet work for their business. They are inspired with ideas and techniques for quickly evaluating those ideas to discover solutions that work: they are valuable, usable, feasible and viable. This book is about the idea and reality of achieving extraordinary results from ordinary people. Empowered is the companion to Inspired. It addresses the other half of the problem of building tech products?how to get the absolute best work from your product teams. However, the book's message applies much more broadly than just to product teams. Inspired was aimed at product managers. Empowered is aimed at all levels of technology-powered organizations: founders and CEO's, leaders of product, technology and design, and the countless product managers, product designers and engineers that comprise the teams. This book will not just inspire companies to empower their employees but will teach them how. This book will help readers achieve the benefits of truly empowered teams--

The 48 Laws of Power Robert Greene,2023-10-31 Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control. This is the only authorized hardcover edition in the US. In the book that People magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, The 48 Laws of Power is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

The Silent Language of Leaders Carol Kinsey Goman, Ph.D.,2011-04-19 A guide for using body language to lead more effectively Aspiring and seasoned leaders have been trained to manage their leadership communication in many important ways. And yet, all their efforts to communicate effectively can be derailed by even the smallest nonverbal gestures such as the way they sit in a business meeting, or stand at the podium at a speaking engagement. In The Silent Language of Leaders, Goman explains that personal space, physical gestures, posture, facial expressions, and eye contact communicate louder than words and, thus, can be used strategically to help leaders manage, motivate, lead global teams, and communicate clearly in the digital age. Draws on compelling psychological and neuroscience research to show leaders how to adjust their body language for maximum effect. Stands out as the only book to address specifically how leaders can use body language to

increase their effectiveness Goman, a respected management coach, is widely considered as the expert in body language issues in the workplace *The Silent Language of Leaders* will show readers how to take advantage of the most underused skills in the leadership toolkit—nonverbal skills—to improve their credibility and stay ahead of the curve.

The Culture Code Daniel Coyle, 2018-01-30 NEW YORK TIMES BESTSELLER • The author of *The Talent Code* unlocks the secrets of highly successful groups and provides tomorrow's leaders with the tools to build a cohesive, motivated culture. "A truly brilliant, mesmerizing read that demystifies the magic of great groups."—Adam Grant, author of *Think Again* A BLOOMBERG AND LIBRARY JOURNAL BEST BOOK OF THE YEAR Where does great culture come from? How do you build and sustain it in your group, or strengthen a culture that needs fixing? In *The Culture Code*, Daniel Coyle goes inside some of the world's most successful organizations—including the U.S. Navy's SEAL Team Six, IDEO, and the San Antonio Spurs—and reveals what makes them tick. He demystifies the culture-building process by identifying three key skills that generate cohesion and cooperation, and explains how diverse groups learn to function with a single mind. Drawing on examples that range from Internet retailer Zappos to the comedy troupe Upright Citizens Brigade to a daring gang of jewel thieves, Coyle offers specific strategies that trigger learning, spark collaboration, build trust, and drive positive change. Coyle unearths helpful stories of failure that illustrate what not to do, troubleshoots common pitfalls, and shares advice about reforming a toxic culture. Combining leading-edge science, on-the-ground insights from world-class leaders, and practical ideas for action, *The Culture Code* offers a roadmap for creating an environment where innovation flourishes, problems get solved, and expectations are exceeded. Culture is not something you are—it's something you do. *The Culture Code* puts the power in your hands. No matter the size of your group or your goal, this book can teach you the principles of cultural chemistry that transform individuals into teams that can accomplish amazing things together.

Command Of The Air General Giulio Douhet, 2014-08-15 In the pantheon of air power spokesmen, Giulio Douhet holds center stage. His writings, more often cited than perhaps actually read, appear as excerpts and aphorisms in the writings of numerous other air power spokesmen, advocates and critics. Though a highly controversial figure, the very controversy that surrounds him offers to us a testimonial of the value and depth of his work, and the need for airmen today to become familiar with his thought. The progressive development of air power to the point where, today, it is more correct to refer to aerospace power has not outdated the notions of Douhet in the slightest. In fact, in many ways, the kinds of technological capabilities that we enjoy as a global air power provider attest to the breadth of his vision. Douhet, together with Hugh "Boom" Trenchard of Great Britain and William "Billy" Mitchell of the United States, is justly recognized as one of the three great spokesmen of the early air power era. This reprint is offered in the spirit of continuing the dialogue that Douhet himself so perceptively began with the first edition of this book, published in 1921. Readers may well find much that they disagree with in this book, but also much that is of enduring value. The vital necessity of Douhet's central vision—that command of the air is

all important in modern warfare-has been proven throughout the history of wars in this century, from the fighting over the Somme to the air war over Kuwait and Iraq.

The Art of Captivating Conversation King Patrick,2020-01-28 The Art of Captivating Conversation is a book for enhancing social skills and developing conversation starters—how to have a deeper connection with people, with tips based on human and social psychology as well as the author's observations and proven coaching techniques. Readers will learn the basics of what makes a good interaction, as well as a plethora of highly-actionable techniques to become more confident, charismatic, and likable. For example: If your conversations are boring, it may be because you don't know yourself—your experiences or opinions—so you have little to share Most people ask bad questions because they are either too specific (what's your favorite movie?) or too broad (what is your passion?) If you need a witty comeback to an insult, simply agree with the insult and amplify it to an outlandish degree. This shows security and wit. Think of The Art of Captivating Conversation as a more detailed and nuanced How to Win Friends & Influence People for the modern age, now that most people see Carnegie's book as common sense. It will be a handy reference for both introverts looking to step out, and confident speakers looking for an edge. The Art of Captivating Conversationempowers readers to step out of their comfort zones to not only break the ice, but also engage an audience in a meaningful and enriching conversation. It is a handy book that will empower readers to speak confidently.
