**The Scarlet Stockings Spy** Trinka Hakes Noble,2011-08-18 Philadelphia 1777 is no place for the faint of heart. The rumble of war with the British grows louder each day, and spies for and against the Patriots are everywhere. No one is above suspicion. Still, everyday life must go on and young Maddy Rose must help her mother, especially since her father's death at the Battle of Princeton and now with her beloved brother Jonathan off with Washington's army. But when childhood games become life-and-death actions, Maddy Rose is drawn ever deeper into events that will explode beyond her imagining. As young America stands on the very brink of its fight for freedom, it becomes clear that even the smallest of citizens can play the largest of parts, and that the role of a patriot has nothing to do with age and everything to do with heart. In *The Scarlet Stockings Spy*, Trinka Hakes Noble melds a suspenseful tale of devotion, sacrifice, and patriotism with the stark realities of our country's birth. Noted picture book author and illustrator Trinka Hakes Noble has pursued the study of children's book writing and illustrating in New York City at Parsons School of Design, the New School University, Caldecott medalist Uri Shulevitz's Greenwich Village Workshop, and New York University. She has authored and illustrated numerous books including the popular Jimmy's Boa series, which has been translated into six languages. Trinka lives in Bernardsville, New Jersey. *The Scarlet Stockings Spy* is her first book with Sleeping Bear Press. Because Robert Papp's childhood drawings of

his favorite superheros were such a pleasure, it was only natural that he would wind up an illustrator. Nowadays, his award-winning artwork appears on book covers and in magazines instead of on the refrigerator. He has produced hundreds of cover illustrations for major publishers across the United States. Robert lives in historic Bucks County, Pennsylvania.

**Little Fires Everywhere: Reese's Book Club** Celeste Ng, 2017-09-12 The #1 New York Times bestseller • Named a Best Book of the Year by People, The Washington Post, Bustle, Esquire, Southern Living, The Daily Beast, GQ, Entertainment Weekly, NPR, Amazon, Barnes & Noble, iBooks, Audible, Goodreads, Library Reads, Book of the Month, Paste, Kirkus Reviews, St. Louis Post-Dispatch, and more “To say I love this book is an understatement. It’s a deep psychological mystery about the power of motherhood, the intensity of teenage love, and the danger of perfection. It moved me to tears.” —Reese Witherspoon From the bestselling author of *Everything I Never Told You* and *Our Missing Hearts* comes a riveting novel that traces the intertwined fates of the picture-perfect Richardson family and the enigmatic mother and daughter who upend their lives. In Shaker Heights, a placid, progressive suburb of Cleveland, everything is planned—from the layout of the winding roads, to the colors of the houses, to the successful lives its residents will go on to lead. And no one embodies this spirit more than Elena Richardson, whose guiding principle is playing by the rules. Enter Mia Warren—an enigmatic artist and single mother—who arrives in this idyllic bubble with her teenaged daughter Pearl, and rents a house from the Richardsons. Soon Mia and Pearl become more than tenants: all four Richardson children are drawn to the mother-daughter pair. But Mia carries with her a mysterious past and a disregard for the status quo that threatens to upend this carefully ordered community. When old family friends of the Richardsons attempt to adopt a Chinese-American baby, a custody battle erupts that dramatically divides the town—and puts Mia and Elena on opposing sides. Suspicious of Mia and her motives, Elena is determined to uncover the secrets in Mia’s past. But her obsession will come at unexpected and devastating costs. *Little Fires Everywhere* explores the weight of secrets, the nature of art and identity, and the ferocious pull of motherhood—and the danger of believing that following the rules can avert disaster. Named a Best Book of the Year by: People, The Washington Post, Bustle, Esquire, Southern Living, The Daily Beast, GQ, Entertainment Weekly, NPR, Amazon, Barnes & Noble, iBooks, Audible, Goodreads, Library Reads, Book of the Month, Paste, Kirkus Reviews, St. Louis Post-Dispatch, and more

**Worldviews in Conflict** Kevin Swanson, 2015 As long as Christian liberal arts programs fail to engage the challenges to Christianity in the battle of ideas, they play a part in the continuing decline of the faith in the Western world. It is extremely dangerous to accept the "great" thinkers and writers uncritically, whether it be Karl Marx, Ralph Waldo Emerson, or Nathaniel Hawthorne. The great thinkers and the liberal arts programs have influenced millions of young people to abandon the Christian faith over the centuries. Every Christian student should be familiar with the ideas and the writings that have formed the modern world and that subsequently undermined the Christian foundations in the West. Young people must also be well-versed and well-equipped to engage in the battle of worldviews before they graduate from high school or college. That is why this curriculum is so desperately needed. It includes: Selected readings and summaries of 15+ philosophers and authors, with in-depth analysis of influential literary works Reviews of popular music and movies Prayers to equip students in the war of ideas. This course presents a basic survey and a critical analysis of the philosophers, the literary masters, and the cultural influencers of the last 300 years for the Christian student. In contrast with other literature courses, this text is filled with relevant biblical references and truths that will equip the student to address the false worldviews contained in the "great" humanist works of this era.
