**Gary G. Schoeniger, Clifton L. Taulbert**

**Who Owns the Ice House?** Gary G. Schoeniger, Clifton L. Taulbert, 2011-06 In the late 1950s, Glen Allan, Mississippi, was a poor cotton community. For many, it was a time and place where opportunities were limited by social and legal constraints that were beyond their control. It was a time and place where few dared to dream. Based on his own life experience, Pulitzer nominee Clifton Taulbert has teamed up with entrepreneur thought leader Gary Schoeniger to create a powerful and compelling story that captures the essence of an entrepreneurial mindset and the unlimited opportunities it can provide. Drawing on the entrepreneurial life lessons Taulbert learned from his Uncle Cleve, *Who Owns the Ice House?* chronicles Taulbert's journey from life in the Mississippi Delta at the height of legal segregation to being recognized by *Time* magazine as one of our nation's most outstanding emerging entrepreneurs. *Who Owns The Ice House?* reaches into the past to remind us of the timeless and universal principles that can empower anyone to succeed.

a Heaven is for Real Deluxe Edition Todd Burpo, 2011-10-31 #1 New York Times bestseller with more than 11 million copies sold! When 4-year-old Colton Burpo emerges from life-saving surgery with remarkable stories of his visit to heaven, his family doesn't know what to believe. *Heaven is For Real* details what Colton saw and his family's journey towards accepting their young son had visited the afterlife. "Do you remember the hospital, Colton?" Sonja said. "Yes, mommy, I remember," he said. "That's where the angels sang to me." Colton told his parents he left his body during an emergency surgery--and proved that claim by describing exactly what his parents were doing in another part of the hospital during his operation. He talked of visiting heaven and described events that happened before he was born and how he spoke with family members he'd never met. Colton also astonished his parents with descriptions and obscure details about heaven that matched the Bible exactly, even though he had not yet learned to read. With disarming innocence and the plainspoken boldness of a child, Colton recounts his visit to heaven, describing: Meeting long-departed family members Jesus, the angels, how "really, really big" God is, and how much God loves us How Jesus called Todd, Colton's father, to be a pastor *The Battle of Armageddon Retold* by his father, but using Colton's uniquely simple words, *Heaven Is for Real* offers a glimpse of the world that awaits us, where as Colton says, "Nobody is old and nobody wears glasses." *Heaven Is for Real* will forever change the way you think of eternity, offering the chance to see, and believe, like a child. Praise for *Heaven is for Real*: "A beautifully written glimpse into heaven that will encourage those who doubt and thrill those who believe." —Ron Hall, coauthor of *Same Kind of Different as Me*

*Failing Up* Leslie Odom, Jr., 2018-03-27 Leslie Odom Jr., burst on the scene in 2015, originating the role of Aaron Burr in

But before he landed the role of a lifetime in one of the biggest musicals of all time, Odom put in years of hard work as a singer and an actor. With personal stories from his life, Odom asks the questions that will help you unlock your true potential and achieve your goals even when they seem impossible. What work did you put in today that will help you improve tomorrow? How do you surround yourself with people who will care about your dreams as much as you do? How do you know when to play it safe and when to risk it all for something bigger and better? These stories will inspire you, motivate you, and empower you for the greatness that lies ahead, whether you're graduating from college, starting a new job, or just looking to live each day to the fullest.

The Invitation Clifton Taulbert, 2014-03-01 When international lecturer Clifton Taulbert receives an unexpected invitation to supper in Allendale, South Carolina, he brings with him Little Cliff, the colored boy from the Mississippi Delta who is also Clifton Taulbert, carrying all he was taught as a child about staying in his place and surviving in the Jim Crow South. Transported back into a setting that looks and feels like the cotton fields and shotgun shacks of his childhood, Taulbert finds himself expected to cross racial barriers he would have been forbidden to cross before. *The Invitation* is the story of the man and the little boy inside him wrestling with a past they both know so well, while stepping into a future that is still being determined

**Taking the Risk, Meet Your Father** Alphonso Evans, 2022-03-18 I began this journey simply wanting to find my father, but through the building of relationships and conversations with other inspiring Black men, I found so much more. I embraced the opportunity to speak with other men who, in some cases, would break down, sobbing as they shared stories about their relationships with their fathers. Some of these men smiled as they reflected on fond memories of their father. Sadly, others found these conversations to be extraordinarily difficult, as they had intentionally suppressed their pain for years. This book is a compilation of stories and experiences of 11 successful Black men and their relationships with their fathers. Some stories will make you laugh, some will make you smile, others will make you cry, but all will encourage you to reflect on your own relationship (or lack thereof) with your father. Although father/son relationships provide the foundation of this book, you will also read about so many of the unsung heroes; the strength, perseverance, and resilience of mothers, grandmothers, and aunts...the women who kept so many of these boys, now men, afloat. This reminds us that none of our stories are complete without the recognition of the women who played such integral, life-influencing roles. Some stories will

highlight the sacrifices women made to help their sons maintain a strong relationship with their fathers. Others will demonstrate the pain they had to personally overcome while also helping their sons grieve the loss of their fathers. Regardless, all will show the strong love and support women provided for each of these men. This book reveals raw emotions serving as a platform to engage, affirm, transcend, and understand the multifaceted dynamics of fatherhood, the essential role women play, and the power of a second chance. Throughout the book, these 11 men begin to divulge a myriad of emotions, reflecting on their childhood, and often expressing the desire to have an opportunity to at least speak with their fathers once again. These men reflected on fathering their own children and how their past influenced their relationships today.

**The Ice House Entrepreneurship Program** Clifton Taulbert, Gary Schoeniger, The Entrepreneurial Learning Initiative, 2010-11 Who Owns The Ice House?

*Learning from Entrepreneurial Failure* Dean A. Shepherd, Trenton Williams, Marcus Wolfe, Holger Patzelt, 2016-03-04 Learning from Entrepreneurial Failure provides an important counterweight to the multitude of books that focus on entrepreneurial success. Failure is by far the most common scenario for new ventures and a critical part of the entrepreneurial process is learning from failure and having the motivation to try again. This book examines the various obstacles to learning from failure and explores how they can be overcome. A range of topics are discussed that include: why some people have a more negative emotional reaction to failure than others and how these negative emotions can be managed; why some people delay the decision to terminate a poorly performing entrepreneurial venture; anti-failure biases and stigmatism in organizations and society; and the role that the emotional content of narratives plays in the sense-making process. This thought-provoking book will appeal to academic researchers, graduate students and professionals in the fields of entrepreneurship and industrial psychology.

*The New New Thing: A Silicon Valley Story* Michael M. Lewis, 2000 Tells the unlikely story of Silicon Valley through the life of one of its great achievers--Jim Clark, who founded Silicon Graphics and Netscape and may be on the verge of another trillion-dollar company.

*The Lonely Entrepreneur* Michael Dermer, 2016-05-27 ENTREPRENEUR IS NOT A JOB, IT IS AN IDENTITY MICHAEL DERMER Do you feel.....that you have a great business but are struggling to thrive'...that the world is on your shoulders'...that you are energized and overwhelmed at the same time'...that no one understands or cares as much as you do? In *The Lonely Entrepreneur*, author and entrepreneur Michael Dermer shows you how to thrive in the entrepreneurial struggle by changing your perspective. What took a decade to build was destroyed in ten days! Michael faced the perfect storm of struggles when the business he spent ten years building was almost wiped out in ten days by the financial crisis of 2008. Bankrupt customers. Enraged investors. Angry creditors. It would take years of working 24 hours a day to save his

company. How did he do it? THE DIFFERENCE BETWEEN SUCCESS AND FAILURE IS YOUR PERSPECTIVE Michael changed his perspective. He realized that with the right perspective, solutions were everywhere. With the wrong perspective, the simplest of tasks seemed impossible. Not only did Michael successfully sell his company and become an industry pioneer, he discovered a methodology that helps all entrepreneurs with the issue we face--the struggle. In *The Lonely Entrepreneur* you will learn how to:

- \* Identify the flawed perspectives you develop under the influence of the four Ps--pressure, passion, pleasure, and pain.
- \* Change your perspectives from those that stifle progress to those that empower you to thrive.

**Zero to One** Blake Masters, Peter Thiel, 2014-09-18 WHAT VALUABLE COMPANY IS NOBODY BUILDING? The next Bill Gates will not build an operating system. The next Larry Page or Sergey Brin won't make a search engine. If you are copying these guys, you aren't learning from them. It's easier to copy a model than to make something new: doing what we already know how to do takes the world from 1 to n, adding more of something familiar. Every new creation goes from 0 to 1. This book is about how to get there. 'Peter Thiel has built multiple breakthrough companies, and Zero to One shows how.' ELON MUSK, CEO of SpaceX and Tesla 'This book delivers completely new and refreshing ideas on how to create value in the world.' MARK ZUCKERBERG, CEO of Facebook 'When a risk taker writes a book, read it. In the case of Peter Thiel, read it twice. Or, to be safe, three times. This is a classic.' NASSIM NICHOLAS TALEB, author of *The Black Swan*

Library's Most Wanted Carolyn Leiloglou, 2020 As deputy librarian to her Aunt Nora, Libby is so serious about protecting books that she chases away other book lovers, until she sees that a librarian's real job is to connect books with readers.
